

Many Splits Now Evident Among Powers At Moscow

By JOHN M. HIGHTOWER
Moscow, March 26 (AP)—Formal Russian opposition to an American, British and French proposal that China should be one of the inviting powers to a proposed German conference was officially disclosed tonight.

With release of a report from the council of foreign ministers deputies to the Big Four council itself on procedure for preparing the German peace treaty, a wide variety of disagreements became officially evident.

These followed the same pattern of splits heretofore unofficially reported from the deputies' meetings over such issues as the kind of voice that should be given to all nations in treaty making and whether the German government should be compelled to sign the treaty.

Procedural Questions
The peace conference report, which the deputies gave the council of foreign ministers two days ago, said: "The United Kingdom and the French delegations consider that China should be one of the convening powers of the conference. The Soviet delegation disagrees."

At the time this report was written, the United States had reserved its position on procedure. But Secretary of State Marshall told the council last night he strongly favored including China as an inviting power.

Molotov earlier had agreed to Marshall's proposal for a written exchange of information on China, but said the Russian government still believed informal Big Three discussions offered a "better means of dealing with the Chinese problem."

BULLETINS

Lake Success, N. Y., March 26 (AP)—Soviet Russia ignored the opening session today of the United Nations Trusteeship Council whose designated mission is to look after the interests of the world's non-self governing peoples.

The absence of a Soviet delegate did not prevent the council from proceeding with immediate business. It caused concern, however, among U. N. officials, already worried by what appeared to be a growing trend to by-pass the organization on important problems.

Washington, March 26 (AP)—President Truman expressed concern today over rising prices generally and said he hopes industry will cooperate to reduce them.

The president told the 100th news conference of his administration that he hopes other industries will follow the line of the International Harvester company, Ford and others he said have reduced prices.

Washington, March 26 (AP)—The Republican-backed \$3,400,000,000 tax cutting bill won its first test today when the House voted to consider this measure on a take-it or leave-it basis.

A voice vote clamped on the no amendment rule.

This action came shortly after President Truman in effect voiced opposition to the measure by citing to newsmen his message to Congress in January.

Washington, March 26 (AP)—The Senate Rules committee today approved legislation placing House Speaker Joseph Martin, Massachusetts Republican, first in line for (Please turn to Page 2)

FOUNTAIN DALE FIREMEN SEEK TO INCORPORATE

An application for incorporation of the "Fountain Dale Volunteer Fire Department" as a non-profit corporation was filed Tuesday in the county prothonotary's office by Attorneys Swope, Brown and Swope for the incorporators.

Listed as incorporators for the fire company are W. S. Culbertson, J. E. Seiford, Francis Benchoff, Charles Shindedecker, Earl W. Shindedecker, Albert Warren, Ed Weaver, Elias Hartman, and Ray Fitz, all of Fairfield, R. D.

Named as initial directors for the company are Warren Weaver, Hartman and Fitz.

The by-laws for the proposed corporation as contained in the application for the charter list officers: as a president, vice president, secretary and treasurer and "chief of operators" who will be in charge of all apparatus and its care and in charge of all men and equipment at fires.

The "chief of operations," the by-laws state, will appoint lieutenants from Fountain Dale, Charman, Greenstone, Monterey, Zora and surrounding communities. The company is incorporated to "provide adequate fire protection for Fountain Dale, Hamiltonban township and neighboring areas."

Junior Sired Suits, 9 to 13, Virginia Myers, Baltimore street.

HENRY GARLACH, RETIRED MAIL CARRIER, DIES

Henry R. Garlach, 65, retired mailman, died at his home, 56 Chambersburg street, Tuesday afternoon at 2:45 o'clock from a heart condition. He had been in ill health for five years and suffered a heart attack last Saturday.

Mr. Garlach was born and always resided in Gettysburg. He was a son of the late J. William and Sarah Frances (Rache) Garlach. He was graduated from Gettysburg high school and Gettysburg academy and attended Gettysburg college in the class of 1904.

On January 13, 1902, he was appointed a substitute carrier at the local post office, later becoming a regular carrier. He retired on his 60th birthday in January, 1942. For a number of years he was associated with his father in the undertaking business. Since his retirement as a mailman he operated a small orchard near Gettysburg.

Funeral On Friday
The deceased was a member of St. James Lutheran church and the Odd Fellows of Gettysburg.

Surviving are his widow, the former Dora Shenier; two daughters, Miss Mary Louise Garlach, at home, and Mrs. Robert Durs, Southampton; four grandchildren, and one sister, Miss Elsie Garlach, a teacher of French at Albright college, Reading.

Funeral services Friday afternoon at 2 o'clock from the Bender funeral home conducted by his pastor, the Rev. Dr. Ralph R. Gresh, Interment in Evergreen cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

PLAN TRAINING FOR R.C. HOME SERVICE STAFF

Tentative plans for a training course here for home service workers of Red Cross chapters in this area were announced Tuesday evening at the regular meeting of the Adams County Red Cross board of directors at the Red Cross offices.

Mrs. Milton R. Remmel, home service chairman, said that the course will probably be held here during the latter part of April but added that final arrangements for the affair are still incomplete.

Mrs. Elizabeth Pennington reported that there is an opportunity to send several Junior Red Cross members to camp this summer and the board voted to send two youngsters from the county to the camp.

Aiding Vets
Work of the Red Cross during the past few months has been mostly with veterans and their families, assisting in a large number of problems, Miss Margaret McMillan reported. She also reported that two county families made homeless by fires had been assisted by the Red Cross since the last meeting of the board.

Mrs. E. S. Lewars, chapter vice chairman, who presided, reported that the fund campaign was at the halfway mark. Mrs. Pennington reported on the nutrition classes being sponsored by the Red Cross together with the home economics classes in a number of county schools.

Firemen Delayed, So Woman Puts Out Fire

While firemen from Hanover Fire Company No. 1 sought permission Tuesday from borough officials to report to an explosion fire just outside the borough, Mrs. Clyde Homan, 150 Maple avenue, Midway, who telephoned for help, extinguished her own blaze with buckets of water.

Flames which destroyed curtains, blinds and wallpaper in the Homan kitchen started Tuesday morning when a gas oven exploded igniting gas into a sheet of flame.

Mrs. Homan, who attempted to light the oven burners with a match after her four-year-old son had turned on a burner earlier, escaped injury. The child received a minor burn on his face and a slight hair singe.

Homan, an employee at a borough garage, was at work at the time of the mishap.

ON HONOR LIST
Miss Doris Gitlin, daughter of Mr. and Mrs. Morris Gitlin, 143 Carlisle street, has been placed on the dean's honor list at the Laboratory Institute of Merchandising, New York city.

LICENSED TO WED
Marriage licenses have been issued in Frederick to Lloyd L. Stevens, York Springs, and Ruth M. Fitzwater, New Oxford, and to Ralph C. Oyler, Emmitsburg, and Leah B. Smith, Ladiesburg, Md.

REFORMED: Catechized examination tonight. Last mid-week service before Holy Week. Be in your pews.

Mrs. Granville Dies In Chicago Tuesday

Word has been received here of the death of Mrs. Ida Granville, widow of Dr. William A. Granville, president of Gettysburg college from 1910 until 1923.

Mrs. Granville died at her home in Chicago, Ill., Tuesday morning. She had been in ill health for about two years.

Surviving are two daughters, Mrs. S. F. Lehman and Miss Rachel Granville, both of Chicago, and one granddaughter, Miss Faith Lehman.

Funeral services and interment in Chicago. It has been requested that no flowers be sent.

SUGGESTIONS ON CONCERT SERIES ARE REQUESTED

Mrs. Guyon E. Buehler, president of the Gettysburg Concert Association, today issued a statement expressing the association's appreciation and thanks for the cooperation and support given the musical group during the current season.

Mrs. Buehler also asked music lovers for suggestions and criticisms of future concert series and the conduct of the association. She asks that these expressions be given to board members before the April 21st meeting of the group. Her statement follows in full:

"Our Board wishes to express its appreciation to the members of the Association for their splendid cooperation in our concert season which closed Monday night. It has given us considerable pleasure to present during the year Mac Morgan, brilliant young radio baritone; the noted Trapp Family, and Henri Temianka, famous violinist. Morgan is one of the promising younger artists, the Trapp Family is noted all over the world for their art and Temianka is considered by many authorities as one of the finest violinists in the country.

Face New Problems
"Dr. Abdel Ross Wentz, president of the seminary, told our group at one of our first campaign dinners that if we ever reached the point where we could present the Trapp Family we could feel that we had 'arrived' musically. We hope to be able to solve our present difficulties as to time and place so that we may present a high type concert series again next year.

"Our members have earned a reputation as a very discerning audience, with enthusiastic appreciation of genuine artistry. Mr. Morgan at the close of his concert here made the statement, in which Mrs. Morgan, his accompanist concurred, that it would have been impossible not to do a good concert with a marvelous audience like the local group."

All adult members are invited to attend our annual membership (Please turn to Page 7)

Littlestown ROTARIANS HOLD LADIES' NIGHT

Ladies' Night was observed by the Littlestown Rotary club Tuesday night in St. Mary's social hall. Silver turn. Guests included Mrs. C. L. Mehning, Littlestown, and Mr. and Mrs. Fred Dunbar, of New England. Following the dinner, the Rotarians and their guests returned to Littlestown and attended a program in the high school auditorium, to which the public was invited.

Students at Hood college gave a musical program, under the direction of their music teacher, Miss Marie Budde, a graduate of Littlestown high school and a native of Littlestown. Miss Jean Harman, soprano from North Carolina, sang "April Morning," "Mighty Lak a Rose," and "Let There Be Music." Harriet Bidle, mezzo soprano from Washington, and a sophomore at the college, sang "Songs My Mother Sang." (Please turn to Page 2)

Couples Honored At Dinner On Sunday

A dinner was held Sunday at the home of Mr. and Mrs. Samuel Nace, Hanover R. 3, in celebration of their 50th wedding anniversary and also in observance of the 30th anniversary of Mr. and Mrs. Charles Hess, 15 Fifth street.

The table was decorated with spring flowers and two large wedding cakes.

Those present were Mr. and Mrs. Nace, Mr. and Mrs. Hess, Mr. and Mrs. Martin Horn, Mr. and Mrs. Walter Toddes, Jr., Mr. and Mrs. J. Darrell Nelson, Charles Keimpert, Cecilia Horn, Francis Nelson, Calvin Swope, Jr., Esther, Ruth and Doris Nace. Visitors during the day included Mr. and Mrs. Arthur Row, Miss Naomi Stimmel, James Rudisill, Katharine Rowe, Nancy Smith, Miss Gloria Horn and Ike Miller.

LIST FIVE CIVIL SUITS FOR TRIAL AT APRIL TERM

Five civil cases have been scheduled for April term of court, due to start April 28, the county prothonotary's office announced today.

The cases due to come before the court include four actions in trespass and one action in assumpsit.

Clyde B. McCormick, Big Pool, Md., represented by Attorneys Bullett and Bullett, is suing Phis T. Moore, Hanover R. 4, for damages as a result of an auto accident July 15, 1946, near Hanover, on the Gettysburg-Hanover road. Keith, Bigham and Markley represent the defendant.

T. S. Warren, Gettysburg, represented by Swope, Brown and Swope, is suing the Super-Service Motor Freight company of Nashville, Tenn., represented by Keith, Bigham and Markley, for damages caused when a freight company truck struck a house owned by Warren on Chambersburg street in June, 1945.

Other Actions
Ryland Garretson, Bendersville, represented by Swope, Brown and Swope, is suing Harvey Beamer, Bendersville, represented by Keith, Bigham and Markley, over an auto accident on the Bendersville-Wenksville road in August, 1945.

Bernard E. Small, New Oxford, represented by Bullett and Bullett, is suing LeRoy Shanbrook, Gettysburg R. 5, represented by Attorney Daniel Teaser, in connection with an auto accident September 1, 1946, near McSherrystown.

The action in assumpsit suit is brought by Howard Wolf, Abbotstown, against Washington Wolf, Berwick township, Howard Wolf, who is seeking repayment of an alleged loan, is represented by Swope, Brown and Swope. No attorney is listed by Washington Wolf.

M. B. MANAHAN SENTENCED TO YEAR FOR ARSON

Marshall B. Manahan, 28, former operator of a service station along the Emmitsburg road near here, was sentenced Tuesday in Frederick county, Md., court to a year in the House of Correction on a charge of statutory arson.

Manahan pleaded guilty to the charge which involved the burning of his automobile last summer at Thurmont to collect insurance. His present address is near Hagerstown and he has been employed in a Waynesboro foundry.

Maryland authorities also disclosed that they hold a detainer from Adams county against Manahan. A warrant was issued here, Frederick county officials said, charging Manahan with illegal conversion of property covered by a chattel mortgage, preferred by the National Bank of Andrews. Manahan is alleged to have sold or disposed of seven cows on which a chattel mortgage was held.

Suspected Arson
Judge Steadman Prescott in Frederick court, said the fact that Manahan had a wife and three children and is expecting a fourth child did not give him the license to commit whatever crime he desired. The greatest hardship in such cases, he declared, falls on the wife and children.

State's Attorney Edwin F. Niskirk (Please turn to Page 7)

Little Hope For 122 Men Trapped By Mine Explosion

By TOM MADDON
Centralia, Ill., March 26 (AP)—Hope of life for the last of 122 men entombed by a coal mine explosion near here Tuesday afternoon all but flickered out today, but cheerless rescue workers kept digging away nevertheless in a gaseous, clogged-up passage 540 feet underground.

The picking and the toiling, slow work in the thick of the lingering fumes, in about 20 hours had accounted for only nine survivors of the 131 who were caught in the blast just a few minutes before quitting time.

Old hands at such things were agreed: they didn't have a chance. But the sleepless families of the men, quiet and staring, stared on at the bleak tangle to face the worst.

The nine survivors did not include some rescue men who had rushed down the shaft, fallen in the fumes and been saved by others.

Some of the dead had been counted, but there was no hurry to get the bodies up to the top. The main effort was centered on burrowing through fallen timbers and other debris and sealing the rooms off one by one as they were searched.

Fred Helmyer, chief electrician of the mine—the Centralia Coal company's No. 5, at the south edge of Centralia—went down the shaft shortly after the blast, and he was one of the first to say the men not saved in the first few hours didn't have a chance.

If the worst fears of experienced observers are borne out this will be recorded as the nation's worst coal mine disaster in nearly 19 years. A total of 195 miners were killed at Mather, Pa., May 19, 1928.

While the night shift stood around yesterday afternoon awaiting their time to go to work, a rumbling rush of air came up from the shaft and after it came a column of milky gray smoke. In the time it took for the word to spread, help was coming from over the countryside for miles around—ambulances, doctors, nurses, disaster relief workers, and soldiers from Scott Field.

DAIRY GROUP GROWS
Between 1,600 and 1,700 head of cows are now contained in the herds of those in Adams county interested in forming an artificial insemination organization in the county, it was announced Tuesday night with several additional herd owners reporting their interest in the idea of establishing a county insemination organization at the meeting at the county agricultural extension association offices at the court house.

Library Adds Life, Group Memberships

Three new group memberships for 1947 in the Adams County Free Library association were acknowledged today by Miss Kathryn Oller, the librarian.

The Prosperity Dry cleaners of Gettysburg, the Littlestown lodge of the Eagles and Zerling's Hardware store in Gettysburg have subscribed group memberships. There are now 65 group memberships for 1947.

Miss Oller also announced a new life membership at \$25. The donor's name was not given. The association now has 36 life members.

The Adams County Tuberculosis society has given the library a check for \$25 to be used in the purchase of health books.

STRONG WINDS DAMAGE LINES, UNROOF HOUSE

The continuing high winds of Tuesday night and today caused additional havoc to telephone and electric lines, putting numerous telephones out of order and severing electrical service to several homes throughout Adams county.

Several roofs were damaged, and at the home of Paul Plank, Baltimore road, the wind picked up a moderate-sized frame building and dropped it on its side Tuesday afternoon. The structure was used for storing baled paper.

A portion of the tarpaper roof was torn from a garage on Barlow street, owned by Mrs. Rudolph Rosenstengel.

Twenty-foot square pieces of tin roofing, along with rafters and boards from the roof, went flying through the air Tuesday afternoon about 2 o'clock at Fairfield.

Mrs. Robert Reinhold heard bricks falling and ran to her attic to see what had occurred. When she arrived there only blue sky was visible. The wind had picked the entire roof off of one section of the L-shaped building and had thrown the pieces across the street into yards 80 to 90 feet away.

Damages Chimney
Mrs. James Landis, wife of the owner of the house, whose home is across the street, said the roof section was blown up across the other section of the L-shaped roof and knocked a hole in the chimney end. (Please turn to Page 2)

Hospital Report

Robert Rubin, 19, a student at Gettysburg college, was treated at the Warner hospital Tuesday afternoon after cutting three fingers on a bell-jar during a chemistry class. The condition of Buddy H. Rupp, 21, Aspers R. 1, who was injured in an auto accident Monday afternoon, one-half mile south of Biglerville along the Gettysburg road, was described as good today. He suffered a fractured right collarbone and several fractured ribs.

Admissions included Mrs. Willard C. Weikert, 54 East Stevens street; Gilbert By, Bendersville; Jennie Fullman, Hanover R. 4; Mrs. Harold Gochenour, Emmitsburg, and Edwin Longenecker, 38 East Middle street. Those discharged were Richard Simpson, Gettysburg R. 5; John D. White, Emmitsburg; Mrs. John H. Mauss and infant daughter, Judith Anne, Biglerville; Mrs. Russell C. Collins and infant son, Roger Scott, Lee-Meads inn; Mrs. Haciey W. Blocher and infant son, James Allen, Littlestown, and Mrs. Edward Harner, Littlestown.

J. E. M'DONNELL IS 100F HEAD

John E. McDonnell was elected noble grand of Gettys lodge No. 124 of the IOOF of Gettysburg at the regular business meeting Tuesday evening in the lodge rooms on Chambersburg street.

The other officers named include: Past grand, Druid C. Deitch; vice grand, Guy Fouik; trustee, Lloyd R. Hartman, and representative to the grand lodge, Jesse E. Snyder. These officers together with those to be appointed by the chairs will be installed next week by District Deputy Grand Master Edward F. Hawk of Littlestown and his staff.

Clair Pittenturf of York Springs was elected district deputy grand master. With the exception of Montana lodge of Bendersville, all IOOF lodges of the county were represented at Tuesday's meeting.

During the evening the second degree of ritualistic work was conferred upon a class of candidates including the following who were admitted as members of York Springs lodge No. 211: Clifford Snyder, Raymond Lobangh, Boyd Spertzel, Lloyd Spertzel, George Smith, Harold McCauslin and Bengt Caterud. S. F. Swope and Julius Swope were admitted to Gettys lodge. The third and final degree will be conferred at a later meeting.

About 70 persons attended and refreshments were served after the meeting.

Weather Forecast
Considerable cloudiness tonight and Thursday with occasional snow flurries in the mountains. Diminishing winds. Not so cold Thursday afternoon.

STATE RECEIVED 2-WEEK RELIEF SUM IN REFUNDS

Adams countians turned back \$10,000 during 1946 in reimbursement to the state Department of Public Assistance for aid given to the countians during prior years.

Mrs. Verna Myers, executive director of the local office of the assistance board, told the board at its regular session Tuesday evening that the sum compares with \$16,000 turned in for 1945, the only two years for which separate records were kept.

The \$10,000 returned to the state would have paid the average county relief bill for about two weeks. The county averaged about \$20,000 a month in relief expenditures last year.

Much of the amount was turned in by executors upon the settlement of estates, she added. On several occasions, however, individuals on assistance rolls, who were "enriched" by the death of some near relative who willed them money or property, brought in the amount they had received to pay back a portion of the amount that had been given them so far by assistance.

No Forced Collections
In none of the cases did the state make any attempt to force collection of the sums. Mrs. Myers added. Those who settled the estates of persons who had received relief brought the money in voluntarily in order to clear the assistance board's claims against the property. Those who brought in sums to repay previous assistance also did so voluntarily, she said.

With Chairman M. Stuart Danner presiding the board discussed the case load for the past month. There were nine less cases in February than in January but eight more than for the month of February a year ago. At present, the board learned there are 455 old age assistance cases, 82 blind pension cases, 95 aid to dependent children cases and 61 general assistance cases, or a total of 695.

To Attend Meeting
Mrs. R. S. Saby was appointed to represent the assistance board on the county advisory health committee which will be formed at a meeting April 14 at the office of the county superintendent of schools.

The board learned that Mrs. Myers and the staff of the local office will attend a luncheon meeting of the Tri-County Child Guidance center to be held at the Harrisburg, Civic club Thursday. Dr. Edward Weiss, Philadelphia will speak on use of medicine in connection with emotional problems of children.

Couple Observing 15th Anniversary

Mr. and Mrs. Dale Wetzel, Orrtanna R. 1, are quietly observing their 15th wedding anniversary today. They were married in Hagerstown by the Rev. Paul E. Holdcraft.

Mrs. Wetzel is the former Miss Mary E. Spence, daughter of Mr. and Mrs. J. E. Spence, Orrtanna R. 1, and Mr. Wetzel is a son of Mr. and Mrs. Luther D. Wetzel, also of Orrtanna R. 1. They have two children, Herbert, 11, and Marie, 9.

J. E. M'DONNELL IS 100F HEAD

John E. McDonnell was elected noble grand of Gettys lodge No. 124 of the IOOF of Gettysburg at the regular business meeting Tuesday evening in the lodge rooms on Chambersburg street.

The other officers named include: Past grand, Druid C. Deitch; vice grand, Guy Fouik; trustee, Lloyd R. Hartman, and representative to the grand lodge, Jesse E. Snyder. Clair Pittenturf of York Springs was elected district deputy grand master. With the exception of Montana lodge of Bendersville, all IOOF lodges of the county were represented at Tuesday's meeting.

During the evening the second degree of ritualistic work was conferred upon a class of candidates including the following who were admitted as members of York Springs lodge No. 211: Clifford Snyder, Raymond Lobangh, Boyd Spertzel, Lloyd Spertzel, George Smith, Harold McCauslin and Bengt Caterud. S. F. Swope and Julius Swope were admitted to Gettys lodge. The third and final degree will be conferred at a later meeting.

About 70 persons attended and refreshments were served after the meeting.

Weather Forecast
Considerable cloudiness tonight and Thursday with occasional snow flurries in the mountains. Diminishing winds. Not so cold Thursday afternoon.

Low Bid For New Jail Is \$120,931; More Than Double Offer Made In '42

Bids opened in the office of the county commissioners at the court house this morning for the construction of a proposed new Adams county jail on the county poor farm property on the Biglerville road averaged more than double the low bids on which contracts for a new jail were awarded in 1942. The war halted operations at that time before construction could be commenced.

Lowest price at which the jail could be constructed, under the bids for the general contract, heating, plumbing and electrical work, submitted this morning is \$120,931.

Earl L. Cump, Chambersburg, was the low bidder on the general construction contract. His price was \$109,753 base bid, compared with a low bid in 1942 of \$52,770. The average between Cump's bid and the high bid of H. B. Alexander and Son, Harrisburg, of \$129,217, was \$119,483, or \$9,732 more than the Cump bid, and \$66,715 more than the low bid of five years ago.

Alternate Proposals
Other bidders on the general contract were Ritter brothers, Harrisburg, \$114,618, and Moyer brothers, Altoona, \$123,490.

Bidders on the general contract submitted two alternate proposals, the first, deductions for the omission of glazed tile on interior walls and the second the omission of brick facing on the rear of the men's cell blocks. The glazed tile, however, was strongly recommended by Architect J. Alfred Hamme, York, because it is impervious to moisture, will not show marks and writing, etc., he said. Without the glazed tile, interior walls would be cinder block.

The Cump bid deducted \$14,342 leaving out glazed tile and \$612 without the rear cell facing, called alternates No. 1 and No. 2. Deductions quoted by other bidders were: Ritter brothers, No. 1, \$13,920; No. 2, \$991; Moyer brothers, No. 1, \$6,000; No. 2, \$8,000; H. B. Alexander and Son, No. 1, \$3,364; No. 2, \$1,000. Heating Cost Doubled
Without the glazed tile for interior walls and facing on the rear of the men's cell blocks, the low bid would be brought down to \$94,779.

Herre brothers, Harrisburg, were low bidders on the heating contract, submitting a price of \$9,311. The low in 1942 was \$4,910. Other heating bids were: H. B. Dissinger, Harrisburg, \$11,201; C. C. Koltcamp and son, York, \$11,666; George L. Harner, Taneytown, \$13,166.

Dissinger was low bidder on the plumbing contract, with a price of \$13,052. The low five years ago was \$7,267. George L. Harner, Taneytown, bid \$15,183; Herre brothers, \$17,260 and Koltcamp and son \$19,683.

Delay Action To April 2
A Littlestown man, Stanley B. Sover, was low bidder on the electrical contract. He submitted a bid of \$3,189. In 1942 the low bid for the electrical work was \$1,740. Other bidders were: Electro Construction company, Philadelphia, \$3,235; Howard P. Foley company, Harrisburg, \$4,600 and I. B. Abel and son, York, \$4,963.

Specifications on which bids were opened this morning were slightly different than the specifications of which bids were received in 1942, the architect said. They called for six cells for women instead of three, among other things. Certified checks or bonds representing five per cent of the bids accompanied the proposals. The bids are subject to fluctuations in labor costs but not on materials, Mr. Hamme said.

The commissioners referred the bids to the architect for study and set April 2 at 10 a. m. for awarding the contracts, the latter to be subject to the approval of the court.

RED CROSS TOPS HALFWAY MARK IN FUND DRIVE

The drive for \$12,440 being conducted this month by the Adams county Red Cross went over the half way mark today with \$6,462.13 reported.

Among the larger donations received during the past 24 hours were a \$100 gift from the Orrtanna Canning company and \$50 from the Victor Products corporation.

Two hundred dollars was turned in by Miss Jean Biggs, Orrtanna solicitor for District 1. Mrs. Richard L. Fox, first ward, first precinct, canvasser reported \$16.50. Mrs. Luther B. Smith, first ward, first precinct, turned in \$23.

Others Report
Other reports from solicitors included: Mrs. Milton Remmel, first ward, first precinct, \$4 additional; Phyllis Rineman, McSherrystown, \$15.60; Romaine E. Eltz, McSherrystown, \$11.28; Joan Luter, McSherrystown, \$6.75; Hugh C. McIlhenny, business district, \$24; S. G. Sollenberger and J. Luther Wisler, National Park, \$24.

Mrs. Helen E. McIlhenny, Gettysburg R. D. 17; Mrs. Harold Bucher, Gettysburg R. D. 28; F. Mark Bream, Franklin township, \$11; Eugene Kimpke, Franklin township, \$21; Mrs. Glen Hartman, Franklin township, \$15.00 additional.

Among the organizations which donated were the Orrtanna Methodist Sunday school, \$5; Women's Society of Christian Service of the Orrtanna Methodist church, \$5; Women's Guild of Trinity Evangelical Reformed church, \$15; Mrs. Tate's Sunday school class of the Methodist church, \$2; Gilbert's Cleaners, \$5; Romaine Miller, \$2; Texas Hot Wiener, \$5; National Garage, \$10; Shetter House, \$1.

HARBAUGHS ARE AIDED BY MANY AFTER BLAZE

The neighborliness of people in the Blue Ridge section is getting the Harbaughs back on their feet.

Sunday morning fire destroyed the log home of Zolan Harbaugh and his family of eight at Blue Ridge Summit. Zolan Harbaugh was fatally burned in the conflagration, and all of their possessions were destroyed.

When, however, the family moves into a new home toward the end of this week the structure will be partially furnished and stocked with foodstuffs through the generosity of neighbors and the family will be given that much of a lift in its efforts to start life over once again.

Many Give Help
Already a considerable amount of clothing, bed linens, small articles of furniture and staple foodstuffs have been donated for the Harbaugh family's use.

And today and Thursday the Blue Ridge Summit Lions club will collect furniture and deliver it to the new home. E. E. Bohn, president of the club said today.

Bohn said that relatives of the Harbaughs began Tuesday to clean the house and be ready to receive the furniture.

Left Homeless
The Harbaugh's five room log dwelling on the eastern limits of Blue Ridge Summit was destroyed by fire early Sunday. The family was left destitute and homeless. They escaped with only their night clothing.

Thursday of this week the Harbaughs had planned to move to another section of the Summit and share a double dwelling with Maurine. (Please turn to Page 2)

Plan Dawn Service On Easter Sunday

The annual Easter Dawn service under the sponsorship of the Adams County Christian Endeavor Union will be held this year in the Church of the Abiding Presence on the seminary campus at 6:30 o'clock Easter morning.

The Rev. George Stoneback, Fairfield, will be the speaker and there will be special music by the four choirs of St. James Lutheran church under the direction of Richard B. Shade.

The arrangements for the service were announced following a meeting of the county CE board.

Just received: Nursing Brasieres, Sizes 32 to 38, Anna Dierer Specialty Shop.

Florida Divorce Case Is Being Appealed

Thomas M. Haugh, Abbotstown, who was ordered by Judge Walter I. Anderson, York, in a decree handed down on March 3 to pay \$10 a week for support of his original wife in spite of a divorce he obtained in Florida and his subsequent re-marriage, has carried his case to the Pennsylvania Superior court. A certiorari was received by Clerk of the Courts Harry B. Shelly, York, to transmit to that tribunal the whole of the record in the case as it was presented in the York court.

In his opinion, and decree Judge Anderson ruled that Haugh had not established a bona fide residence in Florida. It was shown that he went to that state in April of 1946, started divorce proceedings there, which ended in a decree on September 9, 1946. He was married to an Abbotstown girl on October 29 and returned to Pennsylvania to reside at Abbotstown last November. Haugh started divorce proceedings in York in May of 1945, which are still pending.

Many Splits
Now Evident
Among Powers
At Moscow

By JOHN M. HIGHTOWER
Moscow, March 26 (AP)—Formal Russian opposition to an American, British and French proposal that China should be one of the inviting powers to a proposed German conference was officially disclosed tonight.

With release of a report from the council of foreign ministers deputies to the Big Four council itself on procedure for preparing the German peace treaty, a wide variety of disagreements became officially evident.

These followed the same pattern of splits heretofore unofficially reported from the deputies' meetings ever such issues as the kind of voice that should be given to all nations in treaty making and whether the German government should be compelled to sign the treaty.

Procedural Questions

The peace conference report, which the deputies gave the council of foreign ministers two days ago, said: "The United Kingdom and the French delegations consider that China should be one of the convening powers of the conference. The Soviet delegation disagrees."

At the time this report was written, the United States had reserved its position on procedure. But Secretary of State Marshall told the council last night he strongly favored including China as an inviting power.

Molotov earlier had agreed to Marshall's proposal for a written exchange of information on China, but said the Russian government still believed informal Big Three discussions offered a "better means of dealing with the Chinese problem."

BULLETINS

Lake Success, N. Y., March 26 (AP)—Soviet Russia ignored the opening session today of the United Nations Trusteeship Council whose designated mission is to look after the interests of the world's non-self governing peoples.

The absence of a Soviet delegate did not prevent the council from proceeding with immediate business. It caused concern, however, among U. N. officials, already worried by what appeared to be a growing trend to by-pass the organization on important problems.

Washington, March 26 (AP)—President Truman expressed concern today over rising prices generally and said he hopes industry will cooperate to reduce them.

The president told the 100th news conference of his administration that he hopes other industries will follow the line of the International Harvester company, Ford and others he said have reduced prices.

Washington, March 26 (AP)—The Republican-backed \$3,840,000,000 tax cutting bill won its first test today when the House voted to consider this measure on a take-it or leave-it basis.

A voice vote clamped on the no amendment rule.

This action came shortly after President Truman in effect voiced opposition to the measure by citing to newsmen his message to Congress in January.

Washington, March 26 (AP)—The Senate Rules committee today approved legislation placing House Speaker Joseph Martin, Massachusetts Republican, first in line for (Please turn to Page 2)

FOUNTAIN DALE
FIREMEN SEEK
TO INCORPORATE

An application for incorporation of the "Fountain Dale Volunteer Fire Department" as a non-profit corporation was filed Tuesday in the county prothonotary's office by Attorneys Swope, Brown and Swope for the incorporators.

Listed as incorporators for the fire company are W. S. Culbertson, J. E. Seiford, Francis Benchoff, Charles Shindeldecker, Earl W. Shindeldecker, Albert Warren, Ed Weaver, Ellis Hartman, and Ray Fitz, all of Fairfield R. D.

Named as initial directors for the company are Warren Weaver, Hartman and Fitz.

The by-laws for the proposed corporation as contained in the application for the charter list officers as a president, vice president, secretary and treasurer and "chief of operators" who will be in charge of all apparatus and its care and in charge of all men and equipment at fires.

The "chief of operations," the by-laws state, will appoint lieutenants from Fountain Dale, Charman, Greenstone, Monterey, Zora and surrounding communities. The company is incorporated to "provide adequate fire protection for Fountain Dale, Hamiltonban township and neighboring areas."

REFORMED: Catechetical examination tonight. Last mid-week service before Holy Week. Be in your pew.

Junior Sized Suits, 9 to 13. Virginia Myers, Baltimore street.

PRICE THREE CENTS

HENRY GARLACH,
RETIRED MAIL
CARRIER, DIES

Henry R. Garlach, 65, retired mailman, died at his home, 56 Chambersburg street, Tuesday afternoon at 2:45 o'clock from a heart condition. He had been in ill health for five years and suffered a heart attack last Saturday.

Mr. Garlach was born and always resided in Gettysburg. He was a son of the late J. William and Sarah Frances (Rache) Garlach. He was graduated from Gettysburg high school and Gettysburg academy and attended Gettysburg college in the class of 1904.

On January 13, 1902, he was appointed a substitute carrier at the local post office, later becoming a regular carrier. He retired on his 60th birthday in January, 1942. For a number of years he was associated with his father in the undertaking business. Since his retirement as a mailman he operated a small orchard near Gettysburg.

Funeral On Friday

The deceased was a member of St. James Lutheran church and the Odd Fellows of Gettysburg.

Surviving are his widow, the former Dora Sheeler; two daughters, Miss Mary Louise Garlach, at home, and Mrs. Robert Durst, Southampton; four grandchildren, and one sister, Miss Elsie Garlach, a teacher of French at Albright college, Reading.

Funeral services Friday afternoon at 2 o'clock from the Bender funeral home conducted by his pastor, the Rev. Dr. Ralph R. Gresh. Interment in Evergreen cemetery. Friends may call at the funeral home Thursday evening after 7 o'clock.

PLAN TRAINING
FOR R.C. HOME
SERVICE STAFF

Tentative plans for a training course here for home service workers of Red Cross chapters in this area were announced Tuesday evening at the regular meeting of the Adams County Red Cross board of directors at the Red Cross offices.

Mrs. Milton R. Remmel, home service chairman, said that the course will probably be held here during the latter part of April but added that final arrangements for the affair are still incomplete.

Mrs. Elizabeth Pennington reported that there is an opportunity to send several Junior Red Cross members to camp this summer and the board voted to send two youngsters from the county to the camp.

Aiding Vets

Work of the Red Cross during the past few months has been mostly with veterans and their families, assisting in a large number of problems, Miss Margaret McMillan reported. She also reported that two county families made homeless by fires had been assisted by the Red Cross since the last meeting of the board.

Mrs. E. S. Lewars, chapter vice chairman, who presided, reported that the fund campaign was at the halfway mark. Mrs. Pennington reported on the nutrition classes being sponsored by the Red Cross together with the home economics classes in a number of county schools.

Firemen Delayed, So
Woman Puts Out Fire

While firemen from Hanover Fire Company No. 1 sought permission Tuesday from borough officials to report to an explosion fire just outside the borough, Mrs. Clyde Homan, 400 Maple avenue, Midway, who telephoned for help, extinguished her own blaze with buckets of water.

Flames which destroyed curtains, blinds and wallpaper in the Homan kitchen started Tuesday morning when a gas oven exploded igniting gas into a sheet of flame.

Mrs. Homan, who attempted to light the oven burners with a match after her four-year-old son had turned on a burner earlier, escaped injury. The child received a minor burn on his face and a slight hair singe.

Homan, an employee at a borough garage, was at work at the time of the mishap.

ON HONOR LIST

Miss Doris Gittlin, daughter of Mr. and Mrs. Morris Gittlin, 143 Carlisle street, has been placed on the dean's honor list at the Laboratory Institute of Merchandising, New York city.

LICENSED TO WED

Marriage licenses have been issued in Frederick to Lloyd L. Stevens, York Springs, and Ruth M. Fitzwater, New Oxford, and to Ralph C. Oyler, Emmitsburg, and Leah B. Smith, Ladiesburg, Md.

Mrs. Granville Dies
In Chicago Tuesday

Word has been received here of the death of Mrs. Ida Granville, widow of Dr. William A. Granville, president of Gettysburg college from 1910 until 1923.

Mrs. Granville died at her home in Chicago, Ill., Tuesday morning. She had been in ill health for about two years.

Surviving are two daughters, Mrs. S. F. Lehman and Miss Rachel Granville, both of Chicago, and one granddaughter, Miss Faith Lehman.

Funeral services and interment in Chicago. It has been requested that no flowers be sent.

SUGGESTIONS ON
CONCERT SERIES
ARE REQUESTED

Mrs. Guyon E. Buehler, president of the Gettysburg Concert Association, today issued a statement expressing the association's appreciation and thanks for the cooperation and support given the musical group during the current season.

Mrs. Buehler also asked music lovers for suggestions and criticisms of future concert series and the conduct of the association. She asks that these expressions be given to board members before the April 21st meeting of the group. Her statement follows in full:

"Our Board wishes to express its appreciation to the members of the Association for their splendid cooperation in our concert season which closed Monday night. It has given us considerable pleasure to present during the year Mac Morgan, brilliant young radio baritone; the noted Trapp Family, and Henri Temianka, famous violinist. Morgan is one of the promising younger artists, the Trapp Family is noted all over the world for their art and Temianka is considered by many authorities as one of the finest violinists in the country.

Face New Problems

"Dr. Abdel Ross Wentz, president of the seminary, told our group at one of our first campaign dinners that if we ever reached the point where we could present the Trapp Family we could feel that we had 'arrived' musically. We hope to be able to solve our present difficulties as to time and place so that we may present a high type concert series again next year.

"Our members have earned a reputation as a very discerning audience, with enthusiastic appreciation of genuine artistry. Mr. Morgan at the close of his concert here made the statement, in which Mrs. Morgan, his accompanist concurred, that it would have been impossible not to do a good concert 'with a marvelous audience like the local group.'

"All adult members are invited to attend our annual membership (Please Turn to Page 7)

Littlestown
ROTARIANS HOLD
LADIES' NIGHT

Ladies' Night was observed by the Littlestown Rotary club Tuesday night in St. Mary's social hall, Silver Run. Guests included Mrs. C. L. Mehrling, Littlestown, and Mr. and Mrs. Fred Dunbar, of New England. Following the dinner, the Rotarians and their guests returned to Littlestown and attended a program in the high school auditorium, to which the public was invited.

Students at Hood college gave a musical program, under the direction of their music teacher, Miss Marie Budde, a graduate of Littlestown high school and a native of Littlestown. Miss Jean Harman, soprano from North Carolina and a junior at Hood college, sang "April Morning," "Mighty Lak a Rose," and "Let There Be Music." Harriet Bidde, mezzo soprano from Washington, and a sophomore at the college, sang "Songs My Mother Sang." (Please turn to Page 2)

Couples Honored At
Dinner On Sunday

A dinner was held Sunday at the home of Mr. and Mrs. Samuel Nace, Hanover R. 3, in celebration of their 50th wedding anniversary and also in observance of the 30th anniversary of Mr. and Mrs. Charles Hess, 15 Fifth street.

The table was decorated with spring flowers and two large wedding cakes.

Those present were Mr. and Mrs. Nace, Mr. and Mrs. Hess, Mr. and Mrs. Martin Horn, Mr. and Mrs. Walter Toddes, Jr., Mr. and Mrs. J. Darrell Nelson, Charles Keinpet, Cecilia Horn, Francis Nelson, Calvin Swope, Jr., Esther, Ruth and Doris Nace. Visitors during the day included Mr. and Mrs. Arthur Row, Miss Naomi Stimpeling, James Rudisill, Katharine Rowe, Nancy Smith, Miss Gloria Horn and Ike Miller.

LIST FIVE CIVIL
SUITS FOR TRIAL
AT APRIL TERM

Five civil cases have been scheduled for April term of court, due to start April 28, the county prothonotary's office announced today.

The cases due to come before the court include four actions in trespass and one action in assumpsit.

Clyde B. McCormick, Big Pool, Md., represented by Attorneys Bulleit and Bulleit, is suing Pius T. Moore, Hanover R. 4, for damages as a result of an auto accident July 15, 1946, near Hanover, on the Gettysburg-Hanover road. Keith, Bigham and Markley represent the defendant.

T. S. Warren, Gettysburg, represented by Swope, Brown and Swope, is suing the Super-Service Motor Freight company of Nashville, Tenn., represented by Keith, Bigham and Markley, for damages caused when a freight company truck struck a house owned by Warren on Chambersburg street in June, 1945.

Other Actions

Ryland Garrettson, Bendersville, represented by Swope, Brown and Swope, is suing Harvey Beamer, Bendersville, represented by Keith, Bigham and Markley, over an auto accident on the Bendersville-Wenksville road in August, 1945.

Bernard E. Small, New Oxford, represented by Bulleit and Bulleit is suing LeRoy Shanbrook, Gettysburg R. 5, represented by Attorney Daniel Teeter, in connection with an auto accident September 1, 1946, near McSherrystown.

The action in assumpsit suit is brought by Howard Wolf, Abbotstown against Washington Wolf, Berwick township. Howard Wolf, who is seeking repayment of an alleged loan, is represented by Swope, Brown and Swope. No attorney is listed by Washington Wolf.

M. B. MANAHAN
SENTENCED TO
YEAR FOR ARSON

Marshall B. Manahan, 28, former operator of a service station along the Emmitsburg road near here, was sentenced Tuesday in Frederick county, Md., court to a year in the House of Correction on a charge of statutory arson.

Manahan pleaded guilty to the charge which involved the burning of his automobile last summer at Thurmont to collect insurance. His present address is near Hagerstown and he has been employed in a Waynesboro foundry.

Maryland authorities also disclosed that they hold a detainer from Adams county against Manahan. A warrant was issued here, Frederick county officials said, charging Manahan with illegal conversion of property covered by a chattel mortgage, preferred by the National Bank of Arentsville. Manahan is alleged to have sold or disposed of seven cows on which a chattel mortgage was held.

Suspected Arson

Judge Stedman Prescott in Frederick court, said the fact that Manahan had a wife and three children and is expecting a fourth child did not give him the license to commit whatever crime he desired. The greatest hardship in such cases, he declared, falls on the wife and children.

State's Attorney Edwin F. Nikirk, (Please Turn to Page 7)

Little Hope For 122 Men
Trapped By Mine Explosion

By TOM MADDOX
Centralia, Ill., March 26 (AP)—Hope of life for the last of 122 men entombed by a coal mine explosion near here Tuesday afternoon all but flickered out today, but cheerless rescue workers kept digging away nevertheless in a gaseous, clogged-up passage 540 feet underground.

The picking and the toiling, slow work in the thick of the lingering fumes, in about 20 hours had accounted for only nine survivors of the 131 who were caught in the blast just a few minutes before quitting time.

Old hands at such things were agreed; they didn't have a chance. But the sleepless families of the men, quiet and staring, stayed on at the bleak tidings to face the worst.

The nine survivors did not include some rescue men who had rushed down the shaft, fallen in the fumes and been saved by others.

Some of the dead had been counted, but there was no hurry to get the bodies up to the top. The main effort was centered on burrowing through fallen timbers and other debris and sealing the rooms off one by one as they were searched.

Fred Hellmeyer, chief electrician of the mine—the Centralia Coal company's No. 5, at the south edge

Library Adds Life,
Group Memberships

Three new group memberships for 1947 in the Adams County Free Library association were acknowledged today by Miss Kathryn Oiler, the librarian.

The Prosperity Dry cleaners of Gettysburg, the Littlestown lodge of the Eagles and Zerling's Hardware store in Gettysburg have subscribed group memberships. There are now 68 group memberships for 1947.

Miss Oiler also announced a new life membership at \$25. The donor's name was not given. The association now has 36 life members.

The Adams County Tuberculosis society has given the library a check for \$25 to be used in the purchase of health books.

STRONG WINDS
DAMAGE LINES,
UNROOF HOUSE

The continuing high winds of Tuesday night and today caused additional havoc to telephone and electric lines, putting numerous telephones out of order and severing electrical service to several homes throughout Adams county.

Several roofs were damaged, and at the home of Paul Plank, Baltimore road, the wind picked up a moderate-sized frame building and dropped it on its side Tuesday afternoon. The structure was used for storing baled paper.

A portion of the tarpaper roof was torn from a garage on Barlow street owned by Mrs. Rudolph Rosenstengel.

Twenty-foot square pieces of tin roofing, along with rafters and boards from the roof, went flying through the air Tuesday afternoon about 2 o'clock at Fairfield.

Mrs. Robert Reindollar heard bricks falling and ran to her attic to see what had occurred. When she arrived there only blue sky was visible. The wind had picked the entire roof off of one section of the L-shaped building and had thrown the pieces across the street into yards 83 to 90 feet away.

Damages Chimney

Mrs. James Landis, wife of the owner of the house, whose home is across the street, said the roof section was blown up across the other section of the L-shaped roof and knocked a hole in the chimney end. (Please turn to Page 2)

Hospital Report

Robert Rubin, 19, a student at Gettysburg college, was treated at the Warner hospital Tuesday afternoon after cutting three fingers on a bell-jar during a chemistry class.

The condition of Buddy H. Rupp, 21, Aspers R. 1, who was injured in an auto accident Monday afternoon one-half mile south of Biglerville along the Gettysburg road, was described as good today. He suffered a fractured right collarbone and several fractured ribs.

Admissions included Mrs. Willard C. Weikert, 54 East Stevens street; Gilbert Bly, Bendersville; Jennie Pullman, Hanover R. 4; Mrs. Harold Gochenour, Emmitsburg, and Edwin Longanecker, 38 East Middle street.

Those discharged were Richard Simpson, Gettysburg R. 5; John D. White, Emmitsburg; Mrs. John H. Mauss and infant daughter, Judith Anne, Biglerville; Mrs. Russell C. Collins and infant son, Roger Scott, Lee-Meade inn; Mrs. Hadley W. Blocher and infant son, James Allen, Littlestown, and Mrs. Edward Harner, Littlestown.

Little Hope For 122 Men

DAIRY GROUP GROWS

Between 1,600 and 1,700 head of cows are now contained in the herds of those in Adams county interested in forming an artificial insemination organization in the county, it was announced Tuesday night with several additional herd owners reporting their interest in the idea of establishing a county insemination organization at the meeting at the county agricultural extension association offices at the court house.

STATE RECEIVED
2-WEEK RELIEF
SUM IN REFUNDS

Adams countians turned back \$10,000 during 1946 in reimbursement to the state Department of Public Assistance for aid given to the countians during prior years.

Mrs. Verna Myers, executive director of the local office of the assistance board, told the board at its regular session Tuesday evening that the sum compares with \$16,000 turned in for 1945, the only two years for which separate records were kept.

The \$10,000 returned to the state would have paid the average county relief bill for about two weeks. The county averaged about \$20,000 a month in relief expenditures last year.

Much of the amount was turned in by executors upon the settlement of estates, she added. On several occasions, however, individuals on assistance rolls, who were "enriched" by the death of some near relative who willed them money or property, brought in the amount they had received to pay back a portion of the amount that had been given them so far by assistance.

No Forced Collections

In none of the cases did the state make any attempt to force collection of the sums, Mrs. Myers added. Those who settled the estates of persons who had received relief brought the money in voluntarily in order to clear the assistance board's claims against the property. Those who brought in sums to repay previous assistance also did so voluntarily, she said.

With Chairman M. Stuart Danner presiding the board discussed the case load for the past month. There were nine less cases in February than in January but eight more for the month of February a year ago. At present, the board learned there are 455 old age assistance cases, 82 blind pension cases, 95 aid to dependent children cases and 64 general assistance cases, or a total of 696.

To Attend Meeting

Mrs. R. S. Saby was appointed to represent the assistance board on the county advisory health committee which will be formed at a meeting April 14 at the office of the county superintendent of schools.

The board learned that Mrs. Myers and the staff of the local office will attend a luncheon meeting of the Tri-County Child Guidance center to be held at the Harrisburg Civic club Thursday. Dr. Edward Weiss, Philadelphia will speak on use of medicine in connection with emotional problems of children.

Couple Observing
15th Anniversary

Mr. and Mrs. Dale Wetzel, Orrtanna R. 1, are quietly observing their 15th wedding anniversary today. They were married in Hagerstown by the Rev. Paul E. Holdcraft.

Mrs. Wetzel is the former Miss Mary E. Spence, daughter of Mr. and Mrs. J. E. Spence, Orrtanna R. 1, and Mr. Wetzel is a son of Mr. and Mrs. Luther D. Wetzel, also of Orrtanna R. 1. They have two children, Herbert, 11, and Marie, 9.

J. E. M'DONNELL
IS 100F HEAD

John E. McDonnell was elected noble grand of Gettys lodge No. 124 of the IOOF of Gettysburg at the regular business meeting Tuesday evening in the lodge rooms on Chambersburg street.

The other officers named include: Past grand, Duird C. Deitch; vice grand, Guy Foulk; trustee, Lloyd R. Hartman, and representative to the grand lodge, Jesse E. Snyder. These officers together with those to be appointed by the chairs will be installed next week by District Deputy Grand Master Edward F. Hawk of Littlestown and his staff.

Clair Pittenturf of York Springs was elected district deputy grand master. With the exception of Montana lodge of Bendersville, all IOOF lodges of the county were represented at Tuesday's meeting.

During the evening the second degree of ritualistic work was conferred upon a class of candidates including the following who were admitted as members of York Springs lodge No. 211: Clifford Snyder, Raymond Lobaugh, Boyd Sperlzel, Lloyd Sperlzel, George Smith, Harold McCauslin and Bengt Gaterud. S. F. Swope and Julius Swope were admitted to Gettys lodge. The third and final degree will be conferred at a later meeting.

About 70 persons attended and refreshments were served after the meeting.

Weather Forecast

Considerable cloudiness tonight and Thursday with occasional snow flurries in the mountains. Diminishing winds. Not so cold Thursday afternoon.

Low Bid For New Jail
Is \$120,931; More Than
Double Offer Made In '42

RED CROSS TOPS
HALFWAY MARK
IN FUND DRIVE

The drive for \$12,440 being conducted this month by the Adams county Red Cross went over the half way mark today with \$6,462.13 reported.

Among the larger donations received during the past 24 hours were a \$100 gift from the Orrtanna Canning company and \$50 from the Victor Products corporation.

Two hundred dollars was turned in by Miss Jean Biggs, Orrtanna solicitor for District 1. Mrs. Richard L. Fox, first ward, first precinct, canvasser reported \$16.50. Mrs. Luther B. Smith, first ward, first precinct, turned in \$23.

Others Report

Other reports from solicitors included: Mrs. Milton Remmel, first ward, first precinct, \$4 additional; Phyllis Rineman, McSherrystown, \$15.60; Romaine E. Eltz, McSherrystown, \$11.28; Joan Lutter, McSherrystown, \$6.75; Hugh C. McSherrystown, business district, \$24; S. G. Sollenberger and J. Luther Wisler, National Park, \$24.

Mrs. Helen E. McIlhenny, Gettysburg R. D. 17; Mrs. Harold Bucher, Gettysburg R. D. 28; P. Mark Bream, Franklin township, \$11; Eugene Kimple, Franklin township, \$21; Mrs. Clem Hartman, Franklin township, \$1.50 additional.

Among the organizations which donated were the Orrtanna Methodist Sunday school, \$5; Women's Society of Christian Service of the Orrtanna Methodist church, \$5; Women's Guild of Trinity Evangelical Reformed church, \$15; Mrs. Tate's Sunday school class of the Methodist church, \$2; Gilbert's Cleaners, \$5; Romayne Miller, \$2; Texas Hot Wiener, \$5; National Garage, \$10; Shetter House, \$1.

The board learned that Mrs. Myers and the staff of the local office will attend a luncheon meeting of the Tri-County Child Guidance center to be held at the Harrisburg Civic club Thursday. Dr. Edward Weiss, Philadelphia will speak on use of medicine in connection with emotional problems of children.

HARBAUGHS ARE
AIDED BY MANY
AFTER BLAZE

The neighborliness of people in the Blue Ridge section is getting the Harbaughs' back on their feet.

Sunday morning fire destroyed the log home of Zolan Harbaugh and his family of eight at Blue Ridge Summit. Zolan Harbaugh was fatally burned in the conflagration, and all of their possessions were destroyed.

When, however, the family moves into a new home toward the end of this week the structure will be partially furnished and stocked with foodstuffs through the generosity of neighbors and the family will be given that much of a lift in its efforts to start life over once again.

Many Give Help

Already a considerable amount of clothing, bed linens, small articles of furniture and staple foodstuffs have been donated for the Harbaugh family's use.

And today and Thursday the Blue Ridge Summit Lions club will collect furniture and deliver it to the new home. E. E. Bohn, president of the club said today.

Bohn said that relatives of the Harbaughs began Tuesday to clean the house and be ready to receive the furniture.

Left Homeless

The Harbaughs' five room log dwelling on the eastern limits of Blue Ridge Summit was destroyed by fire early Sunday. The family was left destitute and homeless. They escaped with only their right clothing.

Thursday of this week the Harbaughs had planned to move to another section of the Summit and share a double dwelling with Maur-

(Please turn to Page 2)

Plan Dawn Service
On Easter Sunday

The annual Easter Dawn service under the sponsorship of the Adams County Christian Endeavor Union will be held this year in the Church of the Abiding Presence on the seminary campus at 6:30 o'clock Easter morning.

The Rev. George Stoneback, Fairfield, will be the speaker and there will be special music by the four choirs of St. James Lutheran church under the direction of Richard B. Shade.

The arrangements for the service were announced following a meeting of the county CE board.

Just received: Nursing Brassieres, Sizes 32 to 38. Anna Bierer Specialty Shop.

Good Evening
Jail bids, like the wind, are high.

Bids opened in the office of the county commissioners at the court house this morning for the construction of a proposed new Adams county jail on the county poor farm property on the Biglerville road averaged more than double the low bids on which contracts for a new jail were awarded in 1942. The war halted operations at that time before construction could be commenced.

Lowest price at which the jail could be constructed, under the bids for the general contract, heating, plumbing and electrical work, submitted this morning is \$120,931.

Earl L. Cump, Chambersburg, was the low bidder on the general construction contract. His price was \$109,753 base bid, compared with a low bid in 1942 of \$52,770. The average between Cump's bid and the high bid of H. B. Alexander and Son, Harrisburg, of \$129,217, was \$119,485, or \$9,732 more than the Cump bid, and \$66,715 more than the low bid of five years ago.

Alternate Proposals

Other bidders on the general contract were Ritter brothers, Harrisburg, \$114,618, and Moyer brothers, Altoona, \$123,490.

Bidders on the general contract submitted two alternate proposals, the first, deductions for the omission of glazed tile on interior walls and the second the omission of brick facing on the rear of the men's cell blocks. The glazed tile, however, was strongly recommended by Architect J. Alfred Hamme, York, because it is impervious to moisture, will not show marks and wringing, etc., he said. Without the glazed tile, interior walls would be cinder block.

The Cump bid deducted \$14,342 leaving out glazed tile and \$612 without the rear cell facing, called alternates No. 1 and No. 2. Deductions quoted by other bidders were Ritter brothers, No. 1, \$13,920; No. 2, \$991; Moyer brothers, No. 1, \$6,000; No. 2, \$8,000; H. B. Alexander and Son, No. 1, \$8,364; No. 2, \$1,000.

Heating Cost Doubled

Without the glazed tile for interior walls and facing on the rear of the men's cell blocks, the low bid would be brought down to \$94,779.

Herre brothers, Harrisburg, were low bidders on the heating contract, submitting a price of \$9,911. The low in 1942 was \$4,910. Other heating bids were: H. B. Dissinger, Harrisburg, \$11,201; C. C. Kottcamp and son, York, \$11,666; George L. Harner, Taneytown, \$13,166.

Dissinger was low bidder on the plumbing contract, with a price of \$13,052. The low five years ago was \$7,287. George L. Harner, Taneytown, bid \$15,183; Herre brothers, \$17,260 and Kottcamp and son \$19,683.

Delay Action To April 2

A Littlestown man, Stanley B. Slover, was low bidder on the electrical contract. He submitted a bid of \$3,189. In 1942 the low bid for the electrical work was \$1,740. Other bidders were: Electro Construction company, Philadelphia, \$3,235; Howard P. Foley company, Harrisburg, \$4,600 and I. B. Abel and son, York, \$4,983.

Specifications on which bids were opened this morning were slightly different than the specifications of which bids were received in 1942, the architect said. They called for six cells for women instead of three, among other things. Certified checks or bonds representing five per cent of the bids accompanied the proposals. The bids are subject to fluctuations in labor costs but not on materials, Mr. Hamme said.

The commissioners referred the bids to the architect for study and set April 2 at 10 a. m. for awarding the contracts, the latter to be subject to the approval of the court.

Florida Divorce Case
Is Being Appealed

Thomas M. Haugh, Abbotstown, who was ordered by Judge Walter I. Anderson, York, in a decree handed down on March 3 to pay \$10 a week for support of his original wife in spite of a divorce he obtained in Florida and his subsequent re-marriage, has carried his case to the Pennsylvania Superior court. A certiorari was received by Clerk of the Courts Harry B. Shelly, York, to transmit to that tribunal the whole of the record in the case as it was presented in the York court.

In his opinion and decree Judge Anderson ruled that Haugh had not established a bona fide residence in Florida. It was shown that he went to that state in April of 1946, started divorce proceedings there, which ended in a decree on September 9, 1946. He was married to an Abbotstown girl on October 29 and returned to Pennsylvania to reside at Abbotstown last November. Haugh started divorce proceedings in York in May of 1945, which are still pending.

LAST DAY! Betty HUTTON-Sonny TUFTS "Cross My Heart"

United States documents made these points regarding the Greek-Turkish situation: 1—Armed bands, assisted from outside the country, are seeking to establish a corridor separating Macedonia from Greece. 2—The U. S. will support the Greek claim against Albania for Northern Epirus. 3—The U. S. favors a free zone under Greek sovereignty in the port of Salonika. 4—The Soviets "continue to seek special privileges in the control and defense" of the Dardanelles. 5—The U. S. favors the cession to Greece of the Dodecanese. 6—The U. S. favors Britain's ceding to Greece the island of Cyprus.

Emmitsburg

Emmitsburg—Mr. and Mrs. Ray McGlaughlin were dinner guests Sunday at the home of Mr. and Mrs. Charles B. Shorb, Harner apartments.

Miss Ruth Hartdagen, of Baltimore, spent the week-end at the home of her brother-in-law and sister, Mr. and Mrs. James Bouey.

The Entre Nous sewing club met Saturday evening at the home of Mrs. K. M. Zacharias.

Miss Grace Rowe, of Washington, spent the week-end in town with friends.

Mr. and Mrs. Charles A. Harner and Dr. and Mrs. D. L. Beegle attended the 18th Anniversary Charter night dinner and dance of the Thurmont Lions club at the Francis Scott Key hotel, Frederick, last Wednesday night.

Richard H. Randolph, of Baltimore, spent the week-end at the home of his parents, Mr. and Mrs. J. Scott Randolph, center square.

Miss Jeanette Brotherton, Lucy King and Helen Gardner, all of Baltimore, spent the week-end at Miss Brotherton's summer home near St. Anthony's.

Jack Bubrick, of West Chester, was a guest over the week-end at the home of Mr. and Mrs. Bernard H. Boyle.

Mrs. Warren Gelwick, of Baltimore, visited relatives and friends in town on Friday.

Mr. and Mrs. J. Maynard Keilholtz, of Washington, spent the week-end at the home of Mr. and Mrs. Andrew Keilholtz. They expect to leave Washington in the near future for Arizona, the home of Mrs. Keilholtz.

Mrs. Andrew Elster and Mrs. E. R. Shriver spent Friday in York.

Edgar Keepers, of Baltimore, has been spending some time with his father, George Keepers.

George Wivell and sister, Betty, of Baltimore, spent from Thursday until Sunday at the home of their parents, Mr. and Mrs. William H. Wivell. They also attended the funeral of their grandfather, J. Frank Wivell, on Friday.

Sister Cyril Wivell, who has been spending some time at the home of her brother-in-law and sister, Mr. and Mrs. Lewis Topper, De Paul street, during the illness and death of her father, J. Frank Wivell, left Sunday from Baltimore for Mobile, Alabama, where she is stationed.

PTA Sponsors Dance

The Parent-Teachers' association of St. Joseph's high school will sponsor a semi-formal dance in the school auditorium on Friday evening, April 11, beginning at 8:30 o'clock. Each high school pupil and each member of the Vincencian Study club are free to invite a friend to attend the dance. Prof. Sterbinsky and his orchestra will furnish the music for the evening. The committee in charge consists of Mrs. Henry

Gerken, Mrs. Guy A. Baker, Mrs. Clarence Wachter, Mrs. Floyd C. Miller, Mrs. J. Edgar Mullen and Mrs. Bernard H. Boyle.

The St. Francis Youth club members of Harrisburg were guests on Sunday afternoon of the Vincencian Study club. This was one of the first Youth clubs formed in Harrisburg. About 20 boys and girls comprised the group from Harrisburg. They produced a one-act play entitled "Be A Little Cuckoo." Eugene Bouey, president of the Vincencian Study club, introduced the guest club. Dancing was then held and refreshments were served.

Scout Meeting

The meeting of the Emmitsburg Boy Scouts, Troop 264, as held recently. The meeting was opened by William Adams, who led the troop in the Scout laws. Inspection was held and the patrols were given time to collect dues and add merits. The merits were given for attending patrol meeting, doing good turns, having dues, wearing uniform and brushing teeth. No special instruction was given. Officer Bond, who was scheduled to give instruction on finger printing, could not be present. Plans for a summer camping trip to New York were discussed. Second and first-class scouts instructed boys on Tenderfoot and Second-Class requirements. The troop will go to Mt. St. Mary's college to be instructed in Red Cross swimming and life saving. Games were played. The meeting was closed by Mr. Wood, who recited the Scout prayers.

School Notes

The Valley Science club entertained students of St. Joseph's high school and St. Euphemia's school at a movie, "Alaska's Silver Millions."

The Perfect Secretaries club entertained the student body at the week's assembly. The playlet, "The Golden Hand," illustrated what a secretary should and should not be.

The juniors and seniors listened to Seton's broadcast on future occupations for high school graduates.

A short student council meeting was held Wednesday. A motion was made and seconded to change the positions of the councilors. The suggestion boxes will be opened weekly by the officers and the moderator.

The Freshman Civics club has received a charter from the Catholic University of America. It is signed by the Right Rev. Msgr. Patrick J. McCormick, president of the commission and rector of the university.

Students from Mt. St. Mary's college and St. Joseph's college will give a program on Friday evening in St. Joseph's high school auditorium consisting of art, literature and music. The public is invited.

Grange Meeting

The Emmitsburg Subordinate Grange, No. 407, met in the Emmitsburg high school last Wednesday evening at 7:30 o'clock with

SAYS MUSSOLINI DIED A COWARD

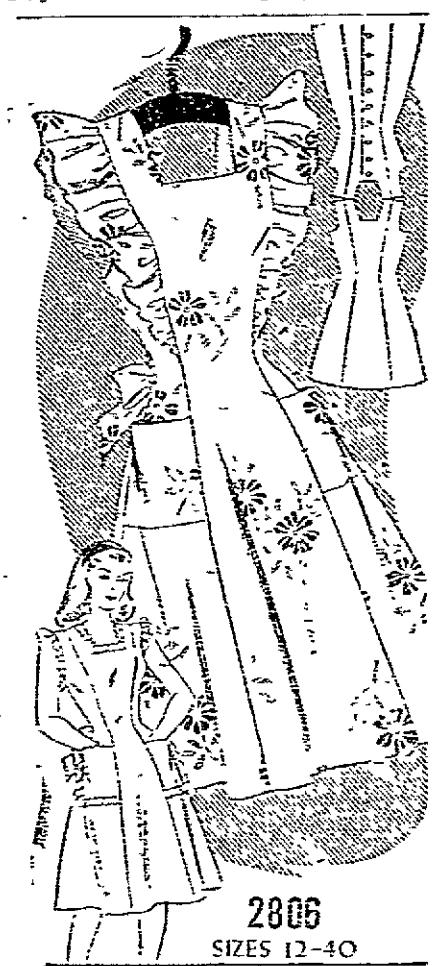

Rome, March 25 (AP)—The reputed executioner of Benito Mussolini declared in an interview today that "Mussolini died a coward."

"He stood against the wall shaking with terror," said Walter Audisio, 37-year-old bookkeeper, who was identified by the Italian Communist party Saturday as Il Duce's killer, and known to the Italian underground as "Col. Valerio."

about 25 members present. In the absence of Worthy Master George Martin, the orersee, Morris Zentz was in charge. Roll call of officers showed that nine officers were present. Minutes were read by the secretary, Mrs. Clara Harner. The sum of \$5 was donated to the Red Cross drive in Frederick county. The Emmitsburg Grange was asked for a donation for the new electric kitchen in Frederick. The amount was left undecided until the next meeting. The Emmitsburg Grange opposed daylight saving time with letters being sent to the senators and also the mayor of Frederick county. Mr. and Mrs. Quinn, New Market, were present at the meeting with Mr. Quinn explaining the "Bill To Tax Co-ops." He also explained more about the daylight saving time.

Hazel Keilholtz, a member of the bowling team gave a report that the team came out in fifth place in the league.

The next meeting will be held at 8 p. m. on Tuesday, April 1, instead of Wednesday, April 2, due to Holy Week, and will be held in the Emmitsburg high school. In the absence of the Worthy Lecturer, Mrs. Ruth Naylor, there was no program.

Fresh as the Spring's first crocus this lovely pinaflore will take you merrily, prettily, through the warmer days to come. Fitted line and spruce such are waist whippers.

No. 2206 is cut in sizes 12, 14, 16, 18, 20, 22, 24, 26, 28, 30, 32, 34, 36, 38, 40, 42. Size 16 requires 3 yds. 35-in.

Send 20 cents for PATTERN, which includes complete sewing guide. Print your Name, Address and Style Number plainly. Be sure to state size you wish. Include postal unit or zone number in your address.

Going, Going . . . The Spring 1947 edition of THE BOOK OF FASHION is limited, and very, very popular. To make sure you receive your copy of this 36-page book, with over 150 pattern designs attractively illustrated and printed in rotogravure send in your order now. A free pattern for a collar and cuff set included in each book. Price just 15 cents plus 2 cents for postage.

"He kept babbling 'But, but, but, but, Mr. Colonel.'"

"I killed him with five shots from a submachine gun."

"I had no intention of killing Claretta Petacci," Audisio continued, adding that the woman, Mussolini's mistress, threw herself in front of him to protect Il Duce.

"She said, 'Mussolini must not die,'" Audisio declared. "I told her: 'Get out of the way, or I'll shoot you too.' But she kept moving in front of him. I feel no sorrow for having killed her, too. You can't dramatize the role of this woman; events were superior to her forces."

Mussolini was slain in Dongo on April 28, 1945.

Seventy-five per cent of all study activities in elementary schools require the ability to read.

STRONG WINDS

(Continued from Page 1)

route to its resting place across the street. Workmen had to tear down part of the chimney above the hole gouged in it by the flying roof to prevent further damage.

The Reindollars spent the night with friends. Workmen who were scheduled to begin repairs to the structure today were unable to work because of the high winds.

The roof of a new home being constructed near the John Brown farm at Fairfield, was also reported blown off by the winds.

Trees Blown Down

Falling trees and broken branches disrupted phone and electric service, mostly to service lines leading from power lines to homes.

The Adams Electric Co-operative said two trees blew down across its lines in York county, and several service lines were out of commission in Adams county from fallen branches. Repairs were being made.

The Metropolitan Edison company said most of the damage to its lines was of minor nature.

Several Telephones Out

The United Telephone company had 20 telephones out in the Biglerville area, others in various parts of the county, and ten in Gettysburg, it said. Wires were twisted by the wind or broken by falling limbs. It will take several days to make all the repairs, officials said.

Western Union said there had been no interruption to its service due to the windstorm.

While the blasting breezes brought bitter cold to pedestrians and penetrated even the tightest houses to bring back the chill of winter, the thermometer recorded 32 degrees at noon today. It dropped to about 16 during the night.

Colder Weather Coming

(By The Associated Press)

A new cold front, backed by bitter March winds and blizzard-like snowstorms, today made thousands of western Pennsylvania workers idle through a weather-induced gas shortage.

The Peoples and Equitable Gas companies, serving some 200 plants, announced they had cut off all fuel supplies to industrial users, while the Manufacturers Light & Heat company, which serves 160 plants, said it had made a 25 per cent cut.

Even colder weather was forecast for the area, with temperatures in the Pittsburgh section not expected to rise above the freezing mark today.

Church Damaged

Throughout Pennsylvania, the weather followed the pattern of the last two days, in which winds ranging from 40 to 70-mile velocity unroofed buildings, uprooted trees and tore down electric wires and poles, plunging whole communities into darkness.

Southwestern Pennsylvania had one to four inches of snow yesterday, the storm reaching blizzard proportions in Fayette, Somerset and Washington counties. In Somerset county, communication lines were reported down, with snow continuing to fall.

Eastern Pennsylvania had high winds but little snow. At Dallas-town, York county, a sudden gust snatched the 24 by 60-foot roof from the grandstand at the baseball field and tossed it into the side of Christ Lutheran school auditorium 100 feet away, causing damage estimated at \$2,000.

Greene counties were chucking over the story of Harvey Higgins, farmer of near Waynesburg, who said he'd stick it out after his wife, alarmed by winds tugging at the roof of their home, went downstairs. Fifteen minutes later the roof blew away and the paper started peeling off the wall. Higgins quickly joined his wife.

PLAN PA. LINK IN BLUE STAR DRIVE

Harrisburg, March 26 (AP)—State officials and members of the Pennsylvania Turnpike Commission pledged their support today to a move establishing a Pennsylvania link in a transcontinental highway route dedicated to World War II veterans.

A resolution establishing the "Blue Star Drive" in the Commonwealth is awaiting Governor Duff's signature after having been passed by the General Assembly.

The resolution designates Route 22 from Easton to Harrisburg and the Pennsylvania Turnpike from near Harrisburg to its Pittsburgh terminus as the memorial route.

One section of the route has been completed in New Jersey where it would connect with Route 22 near Phillipsburg and Easton.

Officials of the state planning commission said today that no decision has been reached on extension of the route from Pittsburgh to Ohio. Action will be taken after Ohio indicates its wishes.

The resolution setting up the Pennsylvania link, sponsored by Rep. Charles H. Brunner, Jr., (R-Montgomery), specifies that suitable markings be placed along the drive. In addition, patches of dogwood will be planted at intersections and other places.

"We will do everything we can to carry out the full intent of the resolution as soon as possible," said Ray F. Smock, secretary of Highways.

Under the Ptolemies, the library at Alexandria, Egypt, is said to have contained 700,000 volumes.

Social Happenings

Phone Gettysburg 640 or Biglerville 8

The Literary club will meet Friday afternoon at 2:30 o'clock with Mrs. R. S. Saby, Carlisle street. Mrs. Ralph Heim will be in charge of the program.

Mrs. E. D. Hudson, Sr., has moved from 22½ Chambersburg street to 112 Hanover street.

Mr. and Mrs. Jacob Appler have moved from 22½ Chambersburg street to 108 Springs avenue.

Mrs. Charles Black, East Middle street, is spending the week with her son-in-law and daughter, Mr. and Mrs. Donald Hudson, Elizabethtown.

Mr. and Mrs. Clarence I. Snyder have returned to their home on Hanover street after spending the last two months in Florida.

The Women of the Moose held their regular meeting Tuesday evening with the senior regent presiding. A social service chapter night was held.

Mrs. Russell A. Campbell, West Broadway, entertained the Tuesday Afternoon Bridge club this week.

Mrs. Richard Fox was hostess to the Tuesday Night Bridge club Tuesday evening at her home on East Stevens street.

Mr. and Mrs. Roy P. Wentz will move from their apartment on Baltimore street to their home, 20 East High street, Thursday. Mr. and Mrs. Lavere Hamme, who had been occupying the Wentz home, will move into the apartment vacated by the Wentzes.

Mrs. C. Richard Wolff, York street, entertained the member of the Tuesday Evening Bridge club Tuesday.

The next meeting will be held in two weeks at the home of Mrs. W. H. Baker, East Lincoln avenue.

The Women's Auxiliary of the Warner hospital, at its monthly meeting Monday afternoon at the Nurses' home, decided to hold a tea on April 21 for members of the class for expectant mothers which started instruction on March 17. Six mothers are taking the course and at least four more are expected to join the class for the remainder of the course.

Mrs. Raymond P. Sheely, president, was in charge of the meeting and led in a discussion for coming year. The members voted to pay for twelve plastic mattress covers for the hospital.

25 Soroptimists Attend Dinner

Twenty-five members and guests attended the monthly dinner of the Soroptimist club held at Schottie's, Littlestown, Tuesday night. The tables were decorated with spring flowers and at each place was a small candle in the shape of a hyacinth in pastel shades. Mrs. Brenda Walker presided. Several humorous readings were given by Mrs. Carl Baumgardner, Littlestown.

Mrs. Guyon E. Buehler, president, informed the club concerning the need in England for towels, pillow cases, sheets, etc., and requested members to bring to the next business meeting used or new articles which will be taken by the delegates to the April conference in York and shipped abroad by the New York club. The local club has a sister club in Ashton-under-Lynn, England, to which they have been sending food and clothing.

Guests at the dinner were Mrs. Clair Grimm, Miss Madolyn Null and Mrs. W. M. Jackson. The dinner was arranged by Miss Evelyn Althoff, Mrs. Samuel Higinbotham, Mrs. Irving Bierer and Mrs. Walker.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Willard C. Weikert, 54 East Stevens street, announce the birth of a six-pound eight-ounce son, Thomas Willard, at the Warner hospital this morning at 8:45 o'clock. Mrs. Weikert is the former Miss Virginia Arnold, of Emmitsburg.

A son was born Tuesday afternoon at the Warner hospital to Mr. and Mrs. Harold Gochenour, Emmitsburg.

A son was born Wednesday at the Hanover General hospital to Mr. and Mrs. Earl L. Warner, McSherrystown.

FRACTURES HIP

Mrs. George Shover, who had been residing with her son, William, 200 West Middle street, suffered a fractured hip in a fall Sunday at the home of another son, Lawrence, Harrisburg, where she was visiting. She was admitted as a patient to the Polyclinic hospital, Harrisburg. Her condition is reported as fair.

CANCEL TROOP MEETING

The regular meeting of Boy Scout Troop 76, sponsored by St. Francis Xavier Catholic church, scheduled for Thursday night, has been cancelled because of the mission at the church. The troop committee however, will meet immediately after the mission services, Dr. Joseph H. Riley, troop committee chairman, announced today.

WORLEY VOTES "YES"

Assemblyman Francis Worley was recorded as voting for the Royer soldiers' bonus bill which has been approved by the lower house at Harrisburg. There were no dissenting votes.

DEATHS

Miss Jessie Eline, 56, Emmitsburg, died Monday night at 10:00 o'clock at Emergency hospital, Frederick, Md., of complications. A daughter of the late John and Fannie Caldwell Eline, she resided in Emmitsburg for the past 40 years. The deceased is survived by several nieces and nephews and a sister-in-law, Mrs. Joseph Eline, Cincinnati, Ohio.

Services Thursday afternoon at 2 o'clock from the Allison funeral home, Emmitsburg, with the Rev. Phillip Bower officiating. Interment in Mountain View cemetery. Friends may call at the funeral home this evening from 7 until 9.

Bury Mrs. Hankey

Funeral services were held Tuesday at the Emig funeral home, East Berlin, for Mrs. Carrie Belle Fair Hankey, East Berlin, who died Saturday at the home of her son-in-law and daughter, Mr. and Mrs. Frederick M. Klugh, Dillsburg, R. D.

The pallbearers were: Harvey Spangler, Jr., Kenneth Hankey, Glenn, Lester, Robert and Maurice Myers, grandsons. The Rev. J. H. Hege, pastor of the Dover Lutheran charge, officiated. Interment was in The Pines cemetery, near New Chester.

Inter Norman Tipton

Funeral services were held Tuesday afternoon from the Bender funeral home for Norman E. Tipton, 62, of 311 York street, who was found dead in his car near the Masonic camp, along Rock Creek, last Thursday evening. The Rev. Harold V. March officiated. Interment in Evergreen cemetery.

The pallbearers were Charles Stall-smith, Robert Wilson, Bradley Rosensteel, Carl Menchey, Daniel Shearler and Joseph Claybaugh.

House Committee Studies Mine Safety

Harrisburg, March 26 (AP)—The House mines committee weighed opposing claims today in considering legislation to bring all small anthracite mine operations under state safety laws.

Mines Secretary Richard Maise told the committee the proposed law was needed "to save lives" while independent miners from three hard coal counties insisted the legislation will drive them out of business.

The measure, sponsored by Rep. Charles L. Robertson (R-Lackawanna), would require state inspection of mines employing less than five persons at least once every six months with authority to close them if they fail to meet state safety standards established for larger mine operations.

"If you give the department the right to enforce reasonable standards, we will save lives, and perhaps, the lives of some of the men in this room," Maise told the committee at a public hearing yesterday which was attended by nearly 40 independent miners from Schuylkill, Columbia and Northumberland counties.

Scores Pessimists For Damaging UN

Philadelphia, March 26 (AP)—The United Nations will succeed if enough people "spend restless days and sleepless nights worrying about it," says Sir Ramiswami Mudaliar, president of the U. N. Economic and Social Council.

The statesman from Madras, India, told 1,000 delegates to the First National conference on UNESCO (the U. N.'s educational, scientific and cultural organization) last night that pessimists foredoom the United Nations to the same failure as the League of Nations.

In denouncing this stand, Sir Ramiswami declared "there are persons who like to say we've had all this before, we'll go on having it until the end of the world and nothing will ever come of it."

"Where in the history of mankind," he asked, "has a pessimist been able to achieve anything constructive?"

New Kensington, Butler In Final

Brookville, Pa., March 26 (AP)—The New Kensington Eagles and the Butler Bettes Vikings emerged last night as semifinalists in the Northwestern Pennsylvania Independent Basketball tournament. They will meet for the championship tonight.

The New Kensington Eagles ran roughshod over the Brookville YMCA quint, 87 to 53. The Butler outfit had a little more difficulty but at no time was in danger from the New Kensington Lower Burrell veterans team, which it defeated 63-48.

Two Persons Die In Traffic Accidents

Erie, Pa., March 26 (AP)—Traffic accidents caused two deaths in Erie county yesterday.

Will Waldrige, a rural mail carrier of East Springfield, was struck and killed by a car while making his rounds between Girard and Springfield.

Edward Hulsmeter, 70, of Erie, died of injuries suffered when he walked into the path of a car Sunday night.

New Delhi, March 26 (AP)—One person was injured fatally Tuesday as stray stonings and stabbings marked the third successive day of clashes between the religious communities of New Delhi.

BRITISH REFUSE GRUNER APPEAL

London, March 26 (AP)—The judicial committee of the Privy Council, Britain's highest tribunal, dismissed today a petition asking leave to appeal from the death sentence imposed on Dov Bela Gruner, a Jew convicted of anti-British violence in Palestine.

The action presumably meant that the sentence—which touched off a wave of widespread actions against the British by Jewish underground—will be carried out.

Gruner, a 33-year-old veteran of the British army, was sentenced to hang after being convicted by a British military court January 1 of participating in an attack on the Ramat Gan police station on April 23, 1946.

The Supreme Court of Palestine previously had dismissed an application for an order preventing the government from executing Gruner, a Hungarian Jew and a member of the underground organization Irgun Zvai Leumi.

The petition to the Privy Council was filed by Gruner's uncle, Frank Gruner of New York city. Members of the council's committee ruled that the uncle could not be deemed personally affected by the order and therefore was not competent to file an appeal.

Dov Gruner himself refused to file an appeal and refused throughout his trial to recognize the jurisdiction of the court, on the ground that he actually was a prisoner of war and should be treated as one.

May Drop Minor OPA Prosecutions

Washington, March 26 (AP)—The OPA may toss out nearly 8,000 "minor" price control cases to speed up prosecution of suits against "flagrant violators and black market operators" involving more than \$75,000,000 in possible damages.

William E. Remy, deputy OPA commissioner for enforcement, told reporters Congress will be asked for informal approval of the plan which he said calls for:

1. An intensive drive to wind up prosecution of about 800 criminal cases, 1,872 cases involving overcharges in which damages totaling \$65,913,000 are claimed, and about 2,600 cases involving violation of meat controls which have held up payment of more than \$11,500,000 in government subsidy payments.
2. Granting amnesty to about 7,803 defendants in "minor" cases, including those accused of making overcharges totaling up to \$3,000.

Democrats Assail GOP Tax Slashing

Washington, March 26 (AP)—Nine Democratic members of the House ways and means committee assailed the Republican-backed income tax slashing bill as "a discriminatory patchwork of political expediency."

Dissenting from the committee's action last week in approving the measure, the nine declared in a report that the legislation is "neither equitable, timely nor sound."

The bill would cut taxes by a total of \$3,840,000,000. Individual cuts would range from 30 per cent for small taxpayers to 20 per cent for most others.

Republican committeemen simultaneously issued a majority report saying present high taxes endanger business prosperity. The majority contended the tax slash can be made and between \$2,300,000,000 and \$3,800,000,000 paid on the \$260,000,000,000 national debt.

Ministers Demand Curfew Enforcement

Connellsville, Pa., March 26 (AP)—Eighteen Protestant ministers and Catholic priests called on city officials yesterday to enforce strictly a 10 p. m. curfew for children under 16.

Stirred by a recent criminal assault on an eight-year-old girl on a city street, the pastors demanded "still greater effort, more prompt action, more positive investigation and keener vigilance" on the part of law enforcement officers. Parents were also urged to "strengthen the homes of our community."

PLAN BROADCASTS

Philadelphia, March 26 (AP)—Short-wave broadcasts to the Greek, Turkish and Arabic people in their own languages are being planned by the United States, says Assistant Secretary of State William Benton, to acquaint them with American foreign policy. The disclosure followed the opening session of the first national conference on UNESCO (United Nations Education, Scientific and Cultural organization.)

SHOOTS NAGGING WIFE

Philadelphia, March 26 (AP)—Because he "couldn't stand her nagging" a 35-year-old policeman shot and killed his wife and seriously wounded his four-year-old son, Homicide Lt. James Kelly reported. Kelly said the husband, James G. Kehoe, telephoned police immediately after the shooting yesterday and told them his wife was dead.

An administration bond in the estate of Raymond W. Kime, late of Butler township, has been filed at the office of the county register and recorder by the widow, Mary V. Kime, Biglerville R. 1, who is administratrix.

Upper Communities

Mr. and Mrs. J. A. Sweet, of Everett, returned home today after a visit with their son-in-law and daughter, Mr. and Mrs. Henry J. Donhart, of Biglerville. They were accompanied home by their daughter and two children, Susie and Denny, who will remain for a visit.

Mr. and Mrs. Carl Herman and son, Dickie, of Philadelphia, spent the week-end with Mrs. Herman's uncle and aunt, Mr. and Mrs. Charles E. Raffensperger, of Biglerville. Mrs. Revere Thomas, of Harrisburg, was a guest in the Raffensperger home Monday.

Mr. and Mrs. Robert Group, of Baltimore, spent the week-end with the former's parents, Mr. and Mrs. Amos Group, of Goodyear, and with Mr. and Mrs. Wilmer Lupp, East York street.

Walter Reinecker, a student at Elizabethtown college, Elizabethtown, spent the week-end with his parents, Mr. and Mrs. Norman Reinecker, of Aspers R. D.

Mr. and Mrs. John Fidler and Mrs. William Slaybaugh, all of East York street, Biglerville, and Mrs. Slaybaugh's daughter, Miss Thelma Slaybaugh, of Harrisburg, visited William Slaybaugh, of York, Sunday.

The Senior Girl Scout Troop No. 2 entertained at a tea Monday evening in the Scout hut, Biglerville. Mrs. P. J. McGlynn and Mrs. Arthur Rice, Jr., leaders, were in attendance. The tea was in honor of the newly-elected leader, Miss Jean Thomas, who will help the Scouts during the leave of absence of Mrs. Arthur Rice Jr. Miss Jean Warren was chairman of the evening's program, with Carolyn Taylor and Ida Mae Walter, members of the refreshment committee. Helen Rexroth, Dolores Kapp and Betty Unger served on the clean up committee.

Miss Justine Lawver, a student at Elizabethtown college, Elizabethtown, spent the week-end with her parents, Mr. and Mrs. Roy Lawver, Biglerville.

Mr. and Mrs. Paul Schwartz and daughters, Patsy and Joan, and son, Nickey, of Pittsburgh, spent the week-end with Mrs. Schwartz's parents, Mr. and Mrs. Emory Lawver, Biglerville.

Mr. and Mrs. Dale Roth and daughter, Linda Mae, and son, Tommy, of Goodyear, spent Sunday with the former's parents, Mr. and Mrs. Rufus Roth, Fourth street, Biglerville.

Mr. and Mrs. Earl Ecker and Mrs. Viola Ecker, Ida Mae Walter, all of Biglerville, were recent visitors in Harrisburg.

George Walter, Latimore, is spending some time with his uncle Mr. R. C. Walter, South Main street, Biglerville, while being employed by Charles Myers, local carpenter, Penn street, Biglerville.

MILK SUPPLY CUT BY STRIKE

New Orleans, March 26 (AP)—New Orleans began to feel the pinch of a dairymen's strike today as armed farmers sought to choke off the city's supply of milk from the Florida parishes by seizing train and truck shipments.

Already many thousands of gallons had been spilled by strikers, who set up highway blocks to prevent motor deliveries and forced the conductor of an Illinois Central passenger train to sidetrack a tank car so that the contents could be dumped.

"We expect this thing to last about three weeks," said Glen Hendry, financial secretary of the Amite Local Union No. 22 of the Dairy Farmers. "We're prepared to stick it out. We're in this thing to stay."

Hendry said union members thought a few trucks might try to get through, and declared that all roads into New Orleans were being guarded. He added that an attempt would be made to intercept trains near the city.

New Orleans distributors said the blockade had cut off about half the normal milk supply of the south's largest city.

The strike began Monday night after distributors served notice that they planned to cut the price paid for milk with four per cent butterfat from \$5.75 per hundredweight to \$5.

SELL PROPERTY

J. Willis and Beulah C. Snyder, Gettysburg R. 1, have sold a property in Mt. Joy township along the Hoffman orphanage road to Daley D. Pultz, Gettysburg R. 4. Possession will be given in June. The sale was made through John C. Bream.

PROBATE ALVEY WILL

The will of James McSherry Alvey, Emmitsburg, was admitted to probate by the Orphans' court, Frederick, Monday. No valuation was placed on the assets. The entire estate will go to his widow, Mrs. Mary Isabelle Alvey, who was also named executrix.

SEEK WEDDING LICENSE

William Mummert Burgard, East Berlin, and Charlotte Mae Simpson, York, have applied for a marriage license at the office of the clerk of the courts in York.

HERSHEY TAKES 4 FROM BARONS

(By The Associated Press)

The Hershey Bears, perennially in the American Hockey league playoffs but never a champion, entertained high hopes today that this is "our year" after coming through their series with the Cleveland Barons in clean-cut fashion.

The Bears made it four straight last night to wind up their best-of-seven series with the Barons and now can coast on their laurels until their championship round opponent is decided by the outcome of the Pittsburgh-Buffalo series.

While the Bears were blanking the Barons 9-0 at Hershey, the Hornets opened their best-of-three semi-final series with Buffalo by white-washing the Bisons 5-0 at Pittsburgh. The Hornets play the second game at Buffalo tomorrow night. A third game, if necessary, also will be played on the home ice of the defending champions.

Buffalo, second-place finisher in the Western division, eliminated Springfield 2 games to one to advance to the semi-finals, while Pittsburgh, third-place club in the west, defeated Springfield 3 games to 1 to qualify for the semi-final round.

ROTARIANS HOLD

(Continued from Page 1)

and three Chinese Mother Goose songs. Miss Elizabeth Graft, Union Mills pianist, and a Hood student, played the first two movements of "Sonatine" by Revel, and "Schwanda Polka." Miss Budde sang Schubert's "Ave Maria," "Italian Street Song" by Victor Herbert, "Summertime" by Gershwin; and the "American Lullaby."

Roy D. Knouse presented Henry I. Stahr, president of Hood college, and a Rotarian at Frederick. He recalled that a former president at Hood, Dr. Appel, presented the charter to the Littlestown Rotary club 19 years ago. The speaker outlined the standard by which a man's worth is measured. "Many judge a man by his birth, background, wealth, education, position and ability," he stated, "but a man should be judged by his character and the service he renders his fellowmen."

The program was in charge of Thomas C. McSherry, chairman of the program committee. Other members of this committee are Cloy Crouse, George Smith, Arthur E. Bair, and Roy D. Knouse.

HARBAUGHS ARE

(Continued from Page 1)

ice Harbaugh, 26, a brother, who was badly burned in the fire attempting to rescue his brother.

Over \$100 cash contributions totaling more than \$100, including a \$22 donation from the school children at Sabillasville. The school children also collected four cartons of foodstuffs.

W. L. Harbaugh, president of the Waynesboro Chapter of the Red Cross, and Mrs. John B. Geiser, in charge of the Waynesboro office, said that since the Harbaugh family had lived in Frederick County, Md., it was in the jurisdiction of the Frederick chapter. Many calls offering assistance had been received at the Waynesboro headquarters.

Funeral services for Harbaugh were held Monday at Jacob's Reformed church. The remains were interred in the church yard.

BULLETINS

(Continued from Page 1)

succession to the presidency.

The vote was 6 to 5, with the committee dividing along party lines. Republicans supported the proposal. Democrats voted no.

Washington, March 26 (AP)—Eugene Dennis, secretary of the Communist party, was dismissed abruptly as a witness before the House un-American Activities committee today after he refused repeatedly to give his real name.

Asuncion, Paraguay, March 26 (AP)—The Paraguayan government decreed today the lifting of martial law throughout the embattled country.

Washington, March 26 (AP)—President Truman expressed hope today that Congress will approve his \$400,000,000 Greek-Turkish aid program before March 31—the deadline for British withdrawal of aid to Greece. He made that comment when asked if he favored a stop-gap loan to Greece.

Harrisburg, March 26 (AP)—A bill increasing the state cigarette tax and imposing new levies on other tobacco products—the first of a group of measures carrying Governor Duff's \$133,000,000 tax program—passed the Republican-controlled House today, 158-33.

CONE CLEANED COAL

NEW MODEL BREAKER
GOOD SPRING, PA.

MARKSON COAL COMPANY, INC.

Mines: Kohler's Gap Good Spring, Pa.

Dear Mr. Coal Dealer:

Do you want good, clean, deep mined coal from our own mines, guaranteed to be of the purest quality produced, or your money refunded?

This coal is all cone cleaned, is long burning and low in ash content. Our new 3,000-ton per day breaker is equipped to permit the loading of two trucks at one time with the same size of coal. The breaker is situated only 200 feet from the main, hard surfaced highway. Loading is done from bins that are absolutely water and drip proof, keeping your trucks clean of dirt and dripping water.

We have bin storage of 1,200 tons capacity, eliminating all delays in our 24-hour service of loading trucks for the trade.

Very truly yours,

MARKSON COAL CO. INC.

Our aim is to produce and market pure hard clean coal and free of all impurities, in order to keep the coal industry alive. Will you cooperate with us in selling to your customers pure and guaranteed anthracite coal from the Markson Coal Co., Inc.?

LEGION WOMEN MEET

Mrs. Eric R. Deardorff, vice president of the Auxiliary of the Albert J. Lentz post, American Legion, presided at a regular meeting of the organization Monday evening at the engine house. Routine business was transacted. Twenty-eight members attended. Two committees, to serve for next month, were appointed and comprise Mrs. Raymond Fridinger and Mrs. Richard Gormley, refreshments; and Mrs. James Howe and Mrs. Ralph Johnson, games.

80 CANDIDATES SEEKING BERTHS ON BULLET NINE

Approximately 80 candidates, probably the largest squad ever to report for baseball training at Gettysburg college, are working out daily under the supervision of Coach Ira Plank.

The Bullet mentor has been holding two practices each afternoon in order to have sufficient time to look over his candidates. The first workout is held at 2 o'clock and the second at 4.

Prospects are bright for a strong nine with a number of holdovers remaining from last season.

Bud Ecker, burly catcher from Littlestown, is expected to do the bulk of the receiving with Dick Samsman and Walt Kirker as capable reservists.

Infield Promising
The infield prospects are particularly pleasing to Coach Plank. Honey Wilman and Alferholt are the leading candidates for the first place position. Both are newcomers. At second base the Bulls will have the veteran hard-hitting Joe Cervino. Bobby Hart, veteran shortstop, and Dick March top the candidates for shortstop. At third base Bill Brown, a holdover, Kauffman and Houtz top the hopefuls. The entire infield group has been showing up particularly well in workouts.

Dick Tome and Phil Martini, who saw action in the outfield last year, are back again and will be given stiff opposition by Tony Cervino, Jerry Kroun, Bobby March, Herb Brown, and Hutchison.

There are at present 21 lads trying out for regular positions as moundmen. Among the most promising are Ken Houtz, Ray Kreider, Ken Lawver, Gene Hummel, Lefty Bealer, Lew Stone and George Fair. The Bulls will open their 16-game schedule on Saturday, April 12, by meeting Johns Hopkins university here.

Bigler FFA Cagers Upset GHS Outfits

The Biglerville FFA basketball team won a pair of games from the Gettysburg FFA cagers on the high school floor Tuesday by the scores of 19-17 and 13-7.

HOLY CROSS IS COURT CHAMPION

New York, March 26 (AP)—For the first time since the East-West play-offs were inaugurated in 1939, an Eastern team held the basketball championship of the National Collegiate Athletic association today.

Holy Cross wrapped up the title last night with its 23rd straight victory, a well deserved 58-47 decision over Oklahoma in the East-West finals at Madison Square Garden.

The Crusaders, a slick bunch of ball handlers who are completely at home on a basketball court, mounted the throne occupied the two previous years by Oklahoma, A. and M.

Before that, it had been the property of Utah, Wyoming, Stanford, Wisconsin, Indiana and Oregon—all victorious over the Eastern representatives in the annual inter-sectional playoffs.

A move to bring Holy Cross and Utah, winner of the National Invitation tournament the previous night, together in a special game here tomorrow had collapsed hours before the NCAA finale when the Utah team took its trophy and departed for home.

Coast Triple-A Opens On April 1

Columbus, O., March 26 (AP)—The most ambitious minor league baseball season in history gets under way Tuesday, April 1, when the Pacific Coast triple-A loop—first to start and last to stop—launches its campaign.

George M. Trautman, president of the National Association of Professional Baseball Leagues (the minors), announced today that 32 leagues made up of 388 teams would have opening day ceremonies all the way from April 1 to May 14, when the class C Border circuit starts.

The opening dates, with league classifications include: April 23—Eastern A; April 30—Interstate B; May 1—North Atlantic D; May 2—Middle Atlantic C; May 8—Eastern Shore, D.

Mexican League To Open Tomorrow

Mexico City, March 26 (AP)—The Mexican baseball league which hopes to accomplish this year with six clubs what it didn't do last year with eight—make money—opens the 1947 season tomorrow.

Fourteen former U. S. major leaguers are expected to be on hand for the opening, among them Myron Hayworth, formerly with the St. Louis Browns; Jorge Connelias, Chicago Cubs; Roberto Estrada, Philadelphia Athletics; Sal Maglie, Adrian Zabala and Nap Reyes, New York Giants; James Seiner, Cleveland Indians; and Rene Monteagudo, Philadelphia Phillies.

With these billboard names, league boss Jorge Pasquel has little worries about nine other major leaguers who were made free agents.

Baseball League Meeting Thursday

A meeting of the Adams County Independent Baseball league officials will be held Thursday evening at 7:45 o'clock at the American Legion home on Baltimore street.

Included among the business to be transacted will be the approval of rosters and umpires.

All teams are urged to have representatives present.

Add onion juice to cottage cheese for delectable flavor.

CANARIES BEAT WILLIAMSPORT; MEET DUQUESNE

By TOM SHRIVER
Harrisburg, March 26 (AP)—One game stands between Allentown and its third straight state basketball championship.

On Saturday the defending titleholders will meet Duquesne high at the University of Pennsylvania. Allentown will be trying for a mark that has only been equaled once in the history of scholastic basketball in this state. Lower Merion won successive titles in 1941, '42, and '43.

Last night at Penn's Palestra, Allentown swamped Williamsport high, 62-45 in a game that gave the Canaries their third straight Eastern championship.

Bradford Loses

Across the state Duquesne turned back the challenge of a fighting band of Bradford Owls to take the Western crown, 44 to 35. The victory qualified Duquesne for its third championship struggle in the past six years, the "Dukes" losing to Lower Merion in 1941, and winning the title from Hazleton in 1944.

Tonight the four surviving Class B teams meet for Eastern and Western crowns in games scheduled on opposite ends of the state.

At Hazleton high school's gym a formidable five from Weatherly will face Wyoming for the Eastern crown with the winner qualified to play for the crown vacated by Fell township.

It was Wyoming that dethroned Fell township, and now the Luzerne county five hope to brush aside Weatherly on its way to a possible state crown.

Other Playoffs

In the west it will be Irwin. District 7 title-holder, and winner in 28 out of 29 starts, that faces unbeaten Kears City for the western championship at the University of Pittsburgh stadium.

Kears City, from Butler county, is the real "dark horse" of the tournament and has relied in the past on a stalwart defense to turn back many formidable foes, including Rocky Grove, champions of District 10, in the first of the inter-district play-off games.

The Class B finals are tentatively slated to be held in the West on Saturday night, but it has been reported that the game may be shifted to the East if Weatherly is crowned Eastern champion after tonight's game at Hazleton.

30 Schools In Mat Competition

Champaign, Ill., March 26 (AP)—Although at least five defending champions are returning, competition for individual crowns in various weight divisions is expected to be exceptionally keen in the 17th annual NCAA wrestling tournament Friday and Saturday.

More than 100 grapplers from 30 schools will compete for weight class championships with the Oklahoma Aggies seeking their seventh straight NCAA team title and their 15th since the meet was inaugurated.

The sharpest meet's competition is expected in the 135-pound class with Lange up against such stars as unbeaten Charles Calderaro of Rutgers; Chet Robbins of Indiana. Big Nine champion; James Mahoney of Penn State, Eastern intercollegiate winner, and Russ Bush of Iowa State Teachers, runner-up for the 135 crown in the NCAA last year.

Gold was first discovered in Australia in quantity in 1851, 160 miles from the sea.

Five Players Cut From Phillies Squad

Clearwater, Fla., March 26 (AP)—The Philadelphia Phillies of the National league announce release of five players to the club's minor league farm training camps.

Catcher Stan Lopata, outfielder Vance Dinges, infielder Granville Hammer and pitcher Bill Pless were sent to Kingstree, N. C., training base of the Phils' Utica Eastern league club. Catcher Charley Hood was ordered to Sheraw, S. C., the camp of the Wilmington Blue Rocks of the Interstate league.

General Manager Herb Pennock said it was the first major cut in the squad since start of spring training.

Reports Of Prelim Called Premature

New York, March 26 (AP)—Reports that Weehawken, N. J., and Catsaugua, Pa., high schools had been chosen to play a preliminary game to the East-West All-Star basketball contest Saturday night were called "premature" last night by Sports Editor Stanley Woodward of the Herald-Tribune.

Woodward, whose newspaper sponsors the charity games, said negotiations for the preliminary still were in progress.

In Philadelphia, Edmund J. Wright, executive secretary of the Pennsylvania Interscholastic Athletic association said that group's board of control had not sanctioned participation by Catsaugua in the game.

East-West Catholic Teams Clash Tonight

(By The Associated Press)
Pittsburgh, March 26 (AP)—St. Joseph's high school (Philadelphia) Eastern Pennsylvania Interscholastic Athletic Association basketball champion, plays Pittsburgh North Catholic high tonight in a clash for the State Catholic IAA court crown.

North Catholic will defend the title it won last year by defeating Allestown Central Catholic at Allentown. The two teams will meet at Duquesne Gardens.

PENN TENNIS SCHEDULE

Philadelphia, March 26 (AP)—The University of Pennsylvania's varsity tennis team will play 14 matches this spring including eight against members of the revived eastern inter-college of Optometry April 12, then meets Haverford, Harvard, Swarthmore, Princeton, Navy, Yale, Franklin and Marshall, Columbia, Army, Cornell, Dartmouth, Penn State and Lehigh.

ALBRIGHT COACH RESIGNS

Reading, Pa., March 26 (AP)—David A. Strong, Albright college's head football coach, has resigned.

Faculty Manager Eugene Shirk said Strong told him he expects to land another coaching job before May 1.

Public Sale WEDNESDAY, APRIL 9TH 12:30 O'CLOCK

The undersigned will offer at public sale on the Omar Benchoff farm in Cumberland Township, formerly the Augustus Sentez farm, located on the Ridge Road leading from Barlow to Rothaupt's Mill the following:

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fibre, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula, which contains special and potent attracting ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juices when it is non-organically too low for healthy assimilation. With little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—live fresh all our holiday places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Surety Health.

It's "FAMILY PARTY" Time! WEDNESDAY, APRIL 2, 7:30 P.M.

80 CANDIDATES SEEKING BERTHS ON BULLET NINE

Approximately 80 candidates, probably the largest squad ever to report for baseball training at Gettysburg college, are working out daily under the supervision of Coach Ira Plank.

The Bullet mentor has been holding two practices each afternoon in order to have sufficient time to look over his candidates. The first workout is held at 2 o'clock and the second at 4.

Prospects are bright for a strong nine with a number of holdovers remaining from last season.

Bud Ecker, burly catcher from Littlestown, is expected to do the bulk of the receiving with Dick Samsman and Walt Kirker as capable reservists.

Infield Promising
The infield prospects are particularly pleasing to Coach Plank. Honey Wileman and Alterholt are the leading candidates for the first place position. Both are newcomers. At second base the Bullets will have the veteran hard-hitting Joe Cervino. Bobby Hart, veteran shortstop, and Dick March top the candidates for shortstop. At third base Bill Brown, a holdover, Kauffman and Houck top the hopefuls. The entire infield group has been showing up particularly well in workouts.

Dick Tome and Phil Martini, who saw action in the outfield last year, are back again and will be given stiff opposition by Tony Cervino, Jerry Krout, Bobby March, Herb Brown, and Hutchison.

There are at present 21 lads trying out for regular positions as moundsmen. Among the most promising are Ken Houtz, Ray Kreider, Ken Lawver, Gene Hummel, Lefty Bealer, Lew Stone and George Fair.

The Bullets will open their 16-game schedule on Saturday, April 12, by meeting Johns Hopkins university here.

Training Camp Briefs

(By The Associated Press)
Lakeland, Fla., March 26 (AP)—Right-hander Al Benton was scheduled to take his turn at a full-game pitching chore today as the Philadelphia Phillies invaded the Detroit Tigers' training camp. Dizzy Trout turned the trick yesterday and scored a 3-2 victory over the New York Yankees at St. Petersburg, holding the Yanks scoreless with three hits until the ninth inning.

Havana, March 26 (AP)—Brooklyn Dodger Manager Leo Durocher gets his first opportunity to inspect the negro minor league star, Jackie Robinson, in direct competition with Ed Stevens and Howie Schultz at first base when the Dodgers and their Montreal farmhands renew their series here tonight.

Durocher has seen only Stevens and hasn't been impressed. Schultz reported here the day after the Dodgers flew to Panama and has been in training a little over two weeks. While Robinson tore into Dodger pitching for five hits in eight trips in Panama, Durocher was en route west to escort his bride back to Dodger headquarters.

Sarasota, Fla., March 26 (AP)—The Boston Red Sox gained a measure of revenge for their World Series defeat last fall by taking the Champion St. Louis Cardinals 3-1 here yesterday. The Cards didn't use their now-famous World Series shift against Ted Williams, but it didn't matter. Ted got only a harmless single in the four trips.

Miami, March 26 (AP) — The St. Louis Browns coked out a 6-5 victory over the Pittsburgh Pirates yesterday. The latter made a contest of it although held to two hits, both by Ralph Kiner. Kiner's two safeties drove in four runs. The Browns clinched the game with three runs in the eighth, thanks to errors by Bill Cox and Ed Basinski.

Tampa, Fla., March 26 (AP)—Right-hander Elmer Riddle, forced to retire from the Cincinnati Reds mound staff in 1945 after a shoulder operation, gave up one hit, issued three passes and fanned one yesterday as the Reds downed Philadelphia, 9-3.

West Palm Beach, Fla., March 26 (AP)—The Athletics open a two game series with Washington today and Jesse Flores is slated to hurl for the Macks. Bobo Newsome, a former Athletic pitcher, pulled into West Palm Beach and notified everybody that would listen that he would chuck for the Senators.

Clearwater, Fla., March 26 (AP) —Manager Ben Chapman of the Phillies gave insiders a pre-season look at some of his intended strategy for the National league pennant race in yesterday's game with Cincinnati. Chapman used Del Ennis in right, Charley Gilbert in center and Buster Adams in center when lefthander Johnny Vander Meer was on the mound. Frank McCormick was at first base against Vander Meer. When right-hander Elmer Riddle came on the scene, Johnny Wyrostek went to center, Ron Northey to right and Lou Finney to center.

NAMED MAT CAPTAIN
Philadelphia, March 26 (AP)—Jack Sullivan was elected captain of the 1947 University of Pennsylvania wrestling team last night.

Bigler FFA Cagers Upset GHS Outfits

The Biglerville FFA basketball teams won a pair of games from the Gettysburg FFA cagers on the high school floor Tuesday by the scores of 19-17 and 13-7.

HOLY CROSS IS COURT CHAMPION

New York, March 26 (AP)—For the first time since the East-West play-offs were inaugurated in 1939, an Eastern team held the basketball championship of the National Collegiate Athletic association today.

Holy Cross wrapped up the title last night with its 23rd straight victory, a well deserved 58-47 decision over Oklahoma in the East-West finals at Madison Square Garden.

The Crusaders, a slick bunch of ball handlers who are completely at home on a basketball court, mounted the throne occupied the two previous years by Oklahoma A. and M.

Before that, it had been the property of Utah, Wyoming, Stanford, Wisconsin, Indiana and Oregon—all victorious over the Eastern representatives in the annual intercollegiate play-offs.

A move to bring Holy Cross and Utah, winner of the National Invitation tournament the previous night, together in a special game here tomorrow had collapsed hours before the NCAA finale when the Utah team took its trophy and departed for home.

Coast Triple-A Opens On April 1

Columbus, O., March 26 (AP)—The most ambitious minor league baseball season in history gets under way Tuesday, April 1, when the Pacific Coast triple-A loop—first to start and last to stop—launches its campaign.

George M. Trautman, president of the National Association of Professional Baseball Leagues (the minors), announced today that 52 leagues made up of 388 teams would have opening day ceremonies all the way from April 1 to May 14, when the class C Border circuit starts.

Mexican League To Open Tomorrow

Mexico City, March 26 (AP)—The Mexican baseball league which hopes to accomplish this year with six clubs what it didn't do last year with eight—make money—opens the 1947 season tomorrow.

Fourteen former U. S. major leaguers are expected to be on hand for the opening, among them Myron Hayworth, formerly with the St. Louis Browns; Jorge Comellas, Chicago Cubs; Roberto Estalella, Philadelphia Athletics; Sal Maglie, Adrian Zabala and Nap Reyes, New York Giants; James Steiner, Cleveland Indians, and Rene Monteagudo, Philadelphia Phillies.

With these billboard names, league boss Jorge Pasquel has little worries about nine other major leaguers who were made free agents.

Baseball League Meeting Thursday

A meeting of the Adams County Independent Baseball league officials will be held Thursday evening at 7:45 o'clock at the American Legion home on Baltimore street.

Included among the business to be transacted will be the approval of rosters and umpires.

All teams are urged to have representatives present.

Add onion juice to cottage cheese for delectable flavor.

CANARIES BEAT WILLIAMSPORT; MEET DUQUESNE

By TOM SHRIVER

Harrisburg, March 26 (AP)—One game stands between Allentown high and its third straight state basketball championship.

On Saturday the defending title-holders will meet Duquesne high at the University of Pennsylvania. Duquesne will be trying for a mark that has only been equaled once in the history of scholastic basketball in this state. Lower Merion won successive titles in 1941, '42, and '43.

Last night at Penn's Palestra, Allentown swamped Williamsport high, 62-45 in a game that gave the Canaries their third straight Eastern championship.

Bradford Loses
Across the state Duquesne turned back the challenge of a fighting band of Bradford Owls to take the Western crown, 44 to 35. The victory qualified Duquesne for its third championship struggle in the past six years, the "Dukes" losing to Lower Merion in 1941, and winning the title from Hazleton in 1944.

Tonight the four surviving Class B teams meet for Eastern and Western crowns in games scheduled on opposite ends of the state. At Hazleton high school's gym a formidable five from Weatherly will face Wyoming for the Eastern crown with the winner qualified to play for the crown vacated by Fell township.

It was Wyoming that dethroned Fell township, and now the Luzerne county five hope to brush aside Weatherly on its way to a possible state crown.

Other Playoffs
In the west it will be Irwin, District 7 title-holder, and winner in 28 out of 29 starts, that faces unbeaten Karns City for the western championship at the University of Pittsburgh stadium.

Karns City, from Butler county, is the real "dark horse" of the tournament and has relied in the past on a stalwart defense to turn back many formidable foes, including Rocky Grove, champions of District 10, in the first of the inter-district play-off games.

The Class B finals are tentatively slated to be held in the West on Saturday night, but it has been reported that the game may be shifted to the East if Weatherly is crowned Eastern champion after tonight's game at Hazleton.

30 Schools In Mat Competition

Champaign, Ill., March 26 (AP)—Although at least five defending champions are returning, competition for individual crowns in various weight divisions is expected to be exceptionally keen in the 17th annual NCAA wrestling tournament Friday and Saturday.

More than 100 grapplers from 30 schools will compete for weight class championships with the Oklahoma Aggies seeking their seventh straight NCAA team title and their 15th since the meet was inaugurated.

The sharpest meet's competition is expected in the 136-pound class with Lange up against such stars as unbeaten Charles Calderaro of Rutgers; Chet Robbins of Indiana, Big Nine champion; James Mahoney of Penn State, Eastern Intercollegiate winner, and Russ Bush of Iowa State Teachers, runner-up for the 136 crown in the NCAA last year.

Gold was first discovered in Australia in quantity in 1851, 100 miles from the sea.

Five Players Cut From Phillies Squad

Clearwater, Fla., March 26 (AP)—The Philadelphia Phillies of the National league announce release of five players to the club's minor league farm training camps.

Catcher Stan Lopata, outfielder Vance Dinges, infielder Granville Hamner and pitcher Bill Pless were sent to Kingstree, N. C., training base of the Phils' Utica Eastern league club. Catcher Charley Hood was ordered to Sheraw, S. C., the camp of the Wilmington Blue Rocks of the Interstate league.

General Manager Herb Pennock said it was the first major cut in the squad since start of spring training.

Reports Of Prelim Called Premature

New York, March 26 (AP)—Reports that Weehawken, N. J., and Catsaqua, Pa., high schools had been chosen to play a preliminary game to the East-West All-Star basketball contest Saturday night were called "premature" last night by Sports Editor Stanley Woodward of the Herald-Tribune.

Woodward, whose newspaper sponsors the charity games, said negotiations for the preliminary still were in progress.

In Philadelphia, Edmund J. Wicht, executive secretary of the Pennsylvania Interscholastic Athletic association said that group's board of control had not sanctioned participation by Catsaqua in the game.

East-West Catholic Teams Clash Tonight

(By The Associated Press)
Pittsburgh, March 26 (AP)—St. Joseph's high school (Philadelphia) Eastern Pennsylvania Interscholastic Athletic Association basketball champion, plays Pittsburgh North Catholic high tonight in a clash for the State Catholic IAA court crown.

North Catholic will defend the title it won last year by defeating Allentown Central Catholic at Allentown. The two teams will meet at Duquesne Gardens.

PENN TENNIS SCHEDULE

Philadelphia, March 26 (AP)—The University of Pennsylvania's varsity tennis team will play 14 matches this spring including eight against members of the revived eastern intercollegiate of Optometry April 12, then meets Haverford, Harvard, Swarthmore, Princeton, Navy, Yale, Franklin and Marshall, Columbia, Army, Cornell, Dartmouth, Penn State and Lehigh.

ALBRIGHT COACH RESIGNS
Reading, Pa., March 26 (AP)—David A. Strong, Albright college's head football coach, has resigned. Faculty Manager Eugene Shirk said Strong told him he expects to land another coaching job before May 1.

The puffing adder, widely regarded as dangerous, is harmless.

FRESH BLOOD A MUST FOR FREE ENERGY

Do you feel like you are tied to a drag every time you try to do something? If so, don't let a low blood count hold you down when you may release vibrant energy to every muscle, fiber, cell.

Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

ONE-MINUTE SPORTS PAGE

New reason: The Pitt-Allegheny baseball game, scheduled for Pitt stadium May 13, has been cancelled because of opera. Seems the singers are taking over the stadium that week. Maybe Larry MacPhail can use that one along with his musical radio program. . . Rocky Graziano claims he has turned down theater, radio and fight offers worth \$780,000 to stay in the clear until his suspension in New York is lifted. . . Bruce

Miller, 161½, Brooklyn, 8.
Kansas City, Kas.—Roy Miller, 160, Kansas City, TKO Nick Spotti, 154, Pittsburgh, 5.

BUILD UP RED BLOOD TO GET MORE STRENGTH

If your blood LACKS IRON!

You girls and women who suffer so from simple anemia that you're pale, weak, "dragged out"—this may be due to lack of blood-iron. So try Lydia E. Pinkham's TABLETS—one of the best home ways to build up red blood—in such cases. Pinkham's Tablets are one of the greatest blood-tonics you can buy! Buy them at any drugstore. Worth trying!

BREAD AT ITS BEST!

STRONG WINDS

(Continued from Page 1)

route to its resting place across the street. Workmen had to tear down part of the chimney above the hole gouged in it by the flying roof to prevent further damage.

The Reindollars spent the night with friends. Workmen who were scheduled to begin repairs to the structure today were unable to work because of the high winds.

The roof of a new home being constructed near the John Brown farm at Fairfield, was also reported blown off by the winds.

Trees Blown Down

Falling trees and broken branches disrupted phone and electric service, mostly to service lines leading from power lines to homes.

The Adams Electric Co-operative said two trees blew down across its lines in York county, and several service lines were out of commission in Adams county from fallen branches. Repairs were being made.

The Metropolitan Edison company said most of the damage to its lines was of minor nature.

Several Telephones Out

The United Telephone company had 20 telephones out in the Biglerville area, others in various parts of the county, and ten in Gettysburg, it said. Wires were twisted by the wind or broken by falling limbs. It will take several days to make all the repairs, officials said.

Western Union said there had been no interruption of its service due to the windstorm.

While the blasting breezes brought bitter cold to pedestrians and penetrated even the tightest houses to bring back the chill of winter, the thermometer recorded 32 degrees at noon today. It dropped to about 16 during the night.

Colder Weather Coming

(By The Associated Press)

A new cold front, backed by bitter March winds and blizzard-like snowstorms, today made thousands of western Pennsylvania workers idle through a weather-induced gas shortage.

The Peoples and Equitable Gas companies, serving some 200 plants, announced they had cut off all fuel supplies to industrial users, while the Manufacturers Light & Heat company, which serves 160 plants, said it had made a 25 per cent cut.

Even colder weather was forecast for the area, with temperatures in the Pittsburgh section not expected to rise above the freezing mark today.

Church Damaged

Throughout Pennsylvania, the weather followed the pattern of the last two days, in which winds ranging from 40 to 70-mile velocity uprooted buildings, uprooted trees and tore down electric wires and poles, plunging whole communities into darkness.

Southwestern Pennsylvania had one to four inches of snow yesterday, the storm reaching blizzard proportions in Fayette, Somerset and Washington counties. In Somerset county, communication lines were reported down, with snow continuing to fall.

Eastern Pennsylvania had high winds but little snow. At Dallas-town, York county, a sudden gust snatched the 24 by 60-foot roof from the grandstand at the baseball field and tossed it into the side of Christ Lutheran school auditorium 100 feet away, causing damage estimated at \$2,000.

Greene counties were chuckling over the story of Harvey Higgins, farmer of near Waynesburg, who said he'd stick it out after his wife, alarmed by winds tugging at the roof of their home, went downstairs. Fifteen minutes later the roof blew away and the paper started peeling off the wall. Higgins quickly joined his wife.

PLAN PA. LINK IN BLUE STAR DRIVE

Harrisburg, March 26 (P)—State officials and members of the Pennsylvania Turnpike Commission pledged their support today to a move establishing a Pennsylvania link in a transcontinental highway route dedicated to World War II veterans.

A resolution establishing the "Blue Star Drive" in the Commonwealth is awaiting Governor Duff's signature after having been passed by the General Assembly.

The resolution designates Route 22 from Easton to Harrisburg and the Pennsylvania Turnpike from near Harrisburg to its Pittsburgh terminus as the memorial route.

One section of the route has been completed in New Jersey where it would connect with Route 22 near Philadelphia and Easton.

Officials of the state planning commission said today that no decision has been reached on extension of the route from Pittsburgh to Ohio. Action will be taken after Ohio indicates its wishes.

The resolution setting up the Pennsylvania link, sponsored by Rep. Charles H. Brunner, Jr., (R-Montgomery), specifies that suitable markings be placed along the drive. In addition, patches of dogwood will be planted at intersections and other places.

"We will do everything we can to carry out the full intent of the resolution as soon as possible," said Ray P. Smock, secretary of Highways.

Under the Ptolemies, the library at Alexandria, Egypt, is said to have contained 700,000 volumes.

Social Happenings

Phone Gettysburg 640 or Biglerville 8

The Literary club will meet Friday afternoon at 2:30 o'clock with Mrs. R. S. Baby, Carlisle street. Mrs. Ralph Heim will be in charge of the program.

Mrs. E. D. Hudson, Sr., has moved from 22½ Chambersburg street to 112 Hanover street.

Mr. and Mrs. Jacob Appier have moved from 22½ Chambersburg street to 103 Springs avenue.

Mrs. Charles Black, East Middle street, is spending the week with her son-in-law and daughter, Mr. and Mrs. Donald Hudson, Elizabethville.

Mr. and Mrs. Clarence L. Snyder have returned to their home on Hanover street after spending the last two months in Florida.

The Women of the Moose held their regular meeting Tuesday evening with the senior regent presiding. A social service chapter night was held.

Mrs. Russell A. Campbell, West Broadway, entertained the Tuesday Afternoon Bridge club this week.

Mrs. Richard Fox was hostess to the Tuesday Night Bridge club Tuesday evening at her home on East Stevens street.

Mr. and Mrs. Roy P. Wentz will move from their apartment on Baltimore street to their home, 20 East High street, Thursday, Mr. and Mrs. Lavere Hamme, who had been occupying the Wentz home, will move into the apartment vacated by the Wentzes.

Mrs. C. Richard Wolff, York street, entertained the member of the Tuesday Evening Bridge club Tuesday. The next meeting will be held in two weeks at the home of Mrs. W. H. Baker, East Lincoln avenue.

The Women's Auxiliary of the Warner hospital, at its monthly meeting Monday afternoon at the Nurses' home, decided to hold a tea on April 21 for members of the class for expectant mothers which started instruction on March 17. Six mothers are taking the course and at least four more are expected to join the class for the remainder of the course.

Mrs. Raymond F. Sheely, president, was in charge of the meeting and led in a discussion for plans for money-making for the coming year. The members voted to pay for twelve plastic mattress covers for the hospital.

25 Soroptimists Attend Dinner

Twenty-five members and guests attended the monthly dinner of the Soroptimist club held at Schott's, Littlestown, Tuesday night. The tables were decorated with spring flowers and at each place was a small candle in the shape of a hyacinth in pastel shades. Mrs. Brenda Walker presided. Several humorous readings were given by Mrs. Carl Baumgardner, Littlestown. Mrs. Guyon E. Buehler, president, informed the club concerning the need in England for towels, pillow cases, sheets, etc., and requested members to bring to the next business meeting used or new articles which will be taken by the delegates to the April conference in York and shipped abroad by the New York club. The local club has a sister club in Ashton-under-Lynn, England, to which they have been sending food and clothing.

Guests at the dinner were Mrs. Clair Grimm, Miss Madolyn Null and Mrs. W. M. Jackson. The dinner was arranged by Miss Evelyn Althoff, Mrs. Samuel Higginbotham, Mrs. Irving Biser and Mrs. Walker.

BIRTH ANNOUNCEMENTS

Mr. and Mrs. Willard C. Welker, 54 East Stevens street, announce the birth of a six-pound eight-ounce son, Thomas Wilard, at the Warner hospital this morning at 8:45 o'clock. Mrs. Welker is the former Miss Virginia Arnold, of Emmitsburg.

A son was born Tuesday afternoon at the Warner hospital to Mr. and Mrs. Harold Goehneour, Emmitsburg.

A son was born Wednesday at the Warner General hospital to Mr. and Mrs. Earl L. Warner, McSherrystown.

FRACTURES HP

Mrs. George Shover, who had been resting with her son, William, 209 West Middle street, suffered a fractured hip in a fall Sunday at the home of another son, Lawrence, Harrisburg, where she was visiting. She was admitted as a patient to the Polyclinic hospital, Harrisburg. Her condition is reported as fair.

CANCEL TROOP MEETING

The regular meeting of Boy Scout Troop 75, sponsored by St. Francis Xavier Catholic church, scheduled for Thursday night, has been cancelled because of the mission at the church. The troop committee, however, will meet immediately after the mission services. Dr. Joseph H. Riley, troop committee chairman, announced today.

WORLEY VOTES "YES"

Assemblyman Francis Worley was recorded as voting for the Boyer soldiers' bonus bill which has been approved by the lower house at Harrisburg. There were no dissenting votes.

BRITISH REFUSE GRUNER APPEAL

London, March 26 (P)—The judicial committee of the Privy Council, Britain's highest tribunal, dismissed today a petition asking leave to appeal from the death sentence imposed on Dov Bela Gruner, a Jew convicted of anti-British violence in Palestine.

The action presumably meant that the sentence—which touched off a wave of widespread actions against the British by Jewish underground—will be carried out.

Gruner, a 33-year-old veteran of the British army, was sentenced to hang after being convicted by a British military court January 1 of participating in an attack on the Ramat Gan police station on April 23, 1946.

The Supreme Court of Palestine previously had dismissed an application for an order preventing the government from executing Gruner, a Hungarian Jew and a member of the underground organization Irgun Zvai Leumi.

The petition to the Privy Council was filed by Gruner's uncle, Frank Gruner of New York city. Members of the council's committee ruled that the uncle could not be deemed personally affected by the order and therefore was not competent to file an appeal.

Dov Gruner himself refused to file an appeal and refused throughout his trial to recognize the jurisdiction of the court, on the ground that he actually was a prisoner of war and should be treated as one.

May Drop Minor OPA Prosecutions

Washington, March 26 (P)—The OPA may toss out nearly 8,000 "minor" price control cases to speed up prosecution of suits against "flagrant violators and black market operators" involving more than \$75,000,000 in possible damages.

William E. Remy, deputy OPA commissioner for enforcement, told reporters Congress will be asked for informal approval of the plan which he said calls for:

1. An intensive drive to wind up prosecution of about 800 criminal cases, 1,872 cases involving overcharges in which damages totaling \$65,913,000 are claimed, and about 2,600 cases involving violation of meat controls which have held up payment of more than \$11,500,000 in government subsidy payments.
2. Granting amnesty to about 7,803 defendants in "minor" cases, including those accused of making overcharges totaling up to \$3,000.

Democrats Assail GOP Tax Slashing

Washington, March 26 (P)—Nine Democratic members of the House ways and means committee assailed the Republican-backed income tax slashing bill as "a discriminatory patchwork of political expediency."

Dissenting from the committee's action last week in approving the measure, the nine declared in a report that the legislation is "neither equitable, timely nor sound."

The bill would cut taxes by a total of \$3,840,000,000. Individual cuts would range from 30 per cent for small taxpayers to 20 per cent for most others.

Republican committee members simultaneously issued a majority report saying present high taxes endanger business prosperity. The majority contended the tax slash can be made and between \$2,300,000,000 and \$2,800,000,000 paid on the \$260,000,000,000 national debt.

Ministers Demand Curfew Enforcement

Connellsville, Pa., March 26 (P)—Eighteen Protestant ministers and Catholic priests called on city officials yesterday to enforce strictly a 10 p. m. curfew for children under 16.

Stirred by a recent criminal assault on an eight-year-old girl on a city street, the pastors demanded "still greater effort, more prompt action, more positive investigation and keener vigilance" on the part of law enforcement officers. Parents were also urged to "strengthen the homes of our community."

PLAN BROADCASTS

Philadelphia, March 26 (P)—Short-wave broadcasts to the Greek, Turkish and Arabic people in their own languages are being planned by the United States, says Assistant Secretary of State William Benton, to acquaint them with American foreign policy. The disclosure followed the opening session of the first national conference on UNESCO (United Nations Educational, Scientific and Cultural organization.)

SHOOTS NAGGING WIFE

Philadelphia, March 26 (P)—Because he "couldn't stand her nagging" a 35-year-old policeman shot and killed his wife and seriously wounded his four-year-old son, Homicide Lt. James Kelly reported. Kelly said the husband, James G. Kehoe, telephoned police immediately after the shooting yesterday and told them his wife was dead.

New Delhi, March 26 (P)—One person was injured fatally Tuesday as stray stonings and stabbings marked the third successive day of clashes between the religious communities of New Delhi.

Upper Communities

Mr. and Mrs. J. A. Sweet, of Everett, returned home today after a visit with their son-in-law and daughter, Mr. and Mrs. Henry J. Donaher, of Biglerville. They were accompanied home by their daughter and two children, Susie and Denny, who will remain for a visit.

Mr. and Mrs. Carl Herman and son, Dickie, of Philadelphia, spent the week-end with Mrs. Herman's uncle and aunt, Mr. and Mrs. Charles E. Raffensperger, of Biglerville. Mrs. Revere Thomas, of Harrisburg, was a guest in the Raffensperger home Monday.

Mr. and Mrs. Robert Group, of Baltimore, spent the week-end with the former's parents, Mr. and Mrs. Amos Group, of Goodyear, and with Mr. and Mrs. Wilmer Lupp, East York street.

Walter Reinecker, a student at Elizabethtown college, Elizabethtown, spent the week-end with his parents, Mr. and Mrs. Norman Reinecker, of Aspers R. D.

Mr. and Mrs. John Fidler and Mrs. William Slaybaugh, all of East York street, Biglerville, and Mrs. Slaybaugh's daughter, Miss Thelma Slaybaugh, of Harrisburg, visited William Slaybaugh, of York, Sunday.

The Senior Girl Scout Troop No. 2 entertained at a tea Monday evening in the Scout hut, Biglerville. Mrs. P. J. McGlynn and Mrs. Arthur Rice, Jr., leaders, were in attendance. The tea was in honor of the newly-elected leader, Miss Jean Thomas, who will help the Scouts during the leave of absence of Mrs. Arthur Rice Jr. Miss Jane Warren was chairman of the evening's program, with Carolyn Taylor and Ida Mae Walker, members of the refreshment committee. Helen Rexroth, Dolores Kapp and Betty Unger served on the clean up committee.

Miss Justine Lawver, a student at Elizabethtown college, Elizabethtown, spent the week-end with her parents, Mr. and Mrs. Roy Lawver, Biglerville.

Mr. and Mrs. Paul Schwartz and daughters, Patsy and Joan, and son, Nicky, of Pittsburgh, spent the week-end with Mrs. Schwartz's parents, Mr. and Mrs. Emory Lawver, Biglerville.

Mr. and Mrs. Dale Roth and daughter, Linda Mae, and son, Tommy, of Goodyear, spent Sunday with the former's parents, Mr. and Mrs. Rufus Roth, Fourth street, Biglerville.

Mr. and Mrs. Earl Ecker and Mrs. Viola Ecker, Ida Mae Walker, all of Biglerville, were recent visitors in Harrisburg.

George Walter, Latimore, is spending some time with his uncle Mr. R. C. Walter, South Main street, Biglerville, while being employed by Charles Myers, local carpenter, Penn street, Biglerville.

MILK SUPPLY CUT BY STRIKE

New Orleans, March 26 (P)—New Orleans began to feel the pinch of a dairymen's strike today as armed farmers sought to choke off the city's supply of milk from the Florida parishes by seizing train and truck shipments.

Already many thousands of gallons had been spilled by strikers, who set up highway blocks to prevent motor deliveries and forced the conductor of an Illinois Central passenger train to sidetrack a tank car so that the contents could be dumped.

"We expect this thing to last about three weeks," said Glen Hendry, financial secretary of the Amite Local Union No. 22 of the Dairy Farmers. "We're prepared to stick it out. We're in this thing to stay."

Hendry said union members thought a few trucks might try to get through, and declared that all roads into New Orleans were being guarded. He added that an attempt would be made to intercept trains near the city.

New Orleans distributors said the blockade had cut off about half the normal milk supply of the south's largest city.

The strike began Monday night after distributors served notice that they planned to cut the price paid for milk with four per cent butterfat from \$5.75 per hundredweight to \$5.

BULLETINS

(Continued from Page 1)

The vote was 6 to 5, with the committee dividing along party lines. Republicans supported the proposal. Democrats voted no.

Washington, March 26 (P)—Eugene Dennis, secretary of the Communist party, was dismissed abruptly as a witness before the House Un-American Activities committee today after he refused repeatedly to give his real name.

Asuncion, Paraguay, March 26 (P)—The Paraguayan government decreed today the lifting of martial law throughout the embattled country.

Washington, March 26 (P)—President Truman expressed hope today that Congress will approve his \$400,000,000 Greek-Turkish aid program before March 31—the deadline for British withdrawal of aid to Greece.

He made that comment when asked if he favored a stop-gap loan to Greece.

Harrisburg, March 26 (P)—A bill increasing the state cigarette tax and imposing new levies on other tobacco products—the first of a round of measures carrying Governor Duff's \$132,000,000 tax program—passed the Republican-controlled House today, 158-33.

SEEK WEDDING LICENSE

William Mummert Burgard, East Berlin, and Charlotte Mae Simpson, York, have applied for a marriage license at the office of the clerk of the courts in York.

SELL PROPERTY

J. Willis and Beulah C. Snyder, Gettysburg R. 1, have sold a property in Mt. Joy township along the Hoffman orphanage road to Diller D. Fultz, Gettysburg R. 4. Possession will be given in June. The sale was made through John C. Bream.

PROBATE ALVEY WILL

The will of James McSherry Alvey, Emmitsburg, was admitted to probate by the Orphans' court, Frederick, Monday. No valuation was placed on the assets. The entire estate will go to his widow, Mrs. Mary Isabelle Alvey, who was also named executrix.

An administration bond in the estate of Raymond W. Kime, late of Butler township, has been filed at the office of the county register and recorder by the widow, Mary V. Kime, Biglerville R. 1, who is administratrix.

CONE CLEANED COAL

NEW MODEL BREAKER
GOOD SPRING, PA.

MARKSON COAL COMPANY, INC.

Mines: Kohler's Gap Good Spring, Pa.

Dear Mr. Coal Dealer:

Do you want good, clean, deep mined coal from our own mines, guaranteed to be of the purest quality produced, or your money refunded?

This coal is all cone cleaned, is long burning and low in ash content. Our new 3,000-ton per day breaker is equipped to permit the loading of two trucks at one time with the same size of coal. The breaker is situated only 200 feet from the main, hard surfaced highway. Loading is done from bins that absolutely water and drip proof, keeping your trucks clean of dirt and dripping water. We have bin storage of 1,200 tons capacity, eliminating all delays in our 24-hour service of loading trucks for the trade.

Very truly yours,

MARKSON COAL CO. INC.

Our aim is to produce and market pure hard clean coal and free of all impurities, in order to keep the coal industry alive. Will you cooperate with us in selling to your customers pure and guaranteed anthracite coal from the Markson Coal Co., Inc.?

TWENTY-FIVE YEARS AGO

Hospital Donor Left Joint Will:
The joint will of John M. Warner, deceased, and Annie M. Warner, was filed Monday for probate in the office of Horace E. Smiley, Register and Recorder for this county. The will proper was written June 10, 1921, and a lengthy codicil was added just 19 days before the death of Mr. Warner. W. Arch McClean, Esq., is named executor and in the event of his death, before that of both of the parties making the document the Citizens' Trust Company is named in that capacity.

Were Married in York: Fred G. Eicholtz, of Arendtsville, and Miss Edna M. Bream, of Biglerville, were married in York last Friday by the Rev. H. H. Weber.

Married in York: Russell E. Weaver, son of Mr. and Mrs. W. C. Weaver, of Aspers, and Miss Ellen A. Ogden, youngest daughter of Mr. and Mrs. David Ogden, of Bendersville, were married Thursday at York at the home of the Rev. Albert Bell, cousin of the bridegroom.

Mr. and Mrs. Weaver will reside on the fruit farm of Mr. Weaver's father, near Bendersville after April 1.

Lillian Ring in Harrisburg: Friends of Miss Lillian Ring, prima donna of Frank Tinney's "Tinkle Me" company, which plays at the Orpheum, Harrisburg, next Tuesday and Wednesday, are looking forward with pleasure to the appearance of the former Gettysburg girl.

Miss Ring is very well known here, where she lived for several years when her father, J. A. Ring, was manager of the Hotel Gettysburg.

Changes Temporarily: Ralph C. Geiselman, East Middle street, has resigned his position temporarily as messenger boy with the Western Union Telegraph company, Chambersburg street, and has accepted a position as clerk in the Quality Shop, Baltimore street.

Rotarians to Conference: The Gettysburg Rotary club is being represented at the annual conference of the fifth district which started Saturday at Washington and is to continue until next Tuesday evening. Those members attending from the local club are M. C. Jones, S. G. Spangler and John D. Keith, Esq. These men are accompanied by their wives.

On Sunday the members of the conference unveiled a bronze tablet in Arlington cemetery erected to the memory of the unknown soldier who is buried there.

Got the License and Married Soon: The Rev. W. D. E. Scott, of Bendersville, performed a double wedding service in the parsonage of the Lutheran church at that place Saturday afternoon at 1:30 o'clock. The contracting couples were Earl Lauver and Miss Violet L. Carey and Dean Carey and Miss Alverna M. Jacobs. Miss Carey and Dean Carey are the daughter and son of Mr. and Mrs. Charles Carey, of Butler township. Earl Lauver is a son of Mrs. Alverta Lauver, also of Butler township, while Miss Jacobs is a daughter of Mr. and Mrs. William Jacobs, of the same township.

Epidemic Has Reached Apex: An epidemic of grippé which has been prevalent in this place for quite a number of weeks, evidently has reached a climax, and it is said that there are more people suffering with the disease at present than at any previous time during the winter.

Chester A. Leas announces Ellis Swartz, Hanover street, Gettysburg, as winner of the range given away during a buying contest which ended Saturday evening—Adv.

Surprised on Birthday: A birth-

Today's Talk

By GEORGE MATTHEW ADAMS

THE NEWSBOY

I am sure no one will disagree with me when I make the statement that the Newsboy is one of our greatest institutions. I call him an institution because he is exactly that. Think of the thousands of the great who have risen in the world, and who so proudly refer to their studentship as "I was once a newsboy!"

Early and late the Newsboy's cry may be heard in every city in the land, large enough to have a daily newspaper—and down the streets and far out into the outlying edges of the town, the Newsboy takes his bundle and his hurrying legs—returning to his home with empty bag and a pair of tired hoofs. But think of the anxious readers, awaiting the world's news—left behind him!

I do not recall that any of the American Presidents once were Newsboys, but I know of several Senators, Governors, famous Authors, Scientists, Inventors, and successful Business men, who once were—and many a Newspaper Publisher who once was a graduate. In fact the roll of former Newsboys who have become famous, is endless. The Newsboy's training is invaluable. He meets all sorts of customers. He becomes a student of human nature. His contacts are with every variety of human being. He becomes a teacher to himself. He learns alertness. Often he has to become a fighter in his own right, as he finds himself in acute competition with other Newsboys. Unconsciously he daily develops and unfolds his character.

Only one artist has immortalized the Newsboy, that I can recall, and that was J. G. Brown—an artist that few know about today, but his paintings were both realistic and human. He also did the same for the oldtime Bootblack. He gave both just recognition.

Like the Mailman, what a faithful servant—in storm, snow, gale, or sunshine, there he will be found upon the street, or over his delivery route—delivering his stock in trade. Enterprising, observant of details (like seeing that the paper rests in the box, under a brick, or neatly placed, hedged by the door-knob) and always happily glad of the chance to be, in a sense, his own boss. That's the Newsboy! Yes, I was once a Newsboy.

Tomorrow Mr. Adams will talk on the subject: "Faith and Courage"

Just Folks

CATALOGUE GARDENS

Outside the wind is rough and cold.
But all is warm within;
And blooming are the marigold
The postman passes in.
The giant zinnias' massive heads
In color are a-glint.
And all the roses in their beds
Are beautiful in print.

In catalogues no beetles crawl,
The tender buds to chew.
The hollyhocks along the wall
Are perfect, size and hue.
There come no hordes of deadly foes
The gardeners to enrage.
The work of cutworms never shows
Upon the printed page.

Oh beautiful the garden space
Which seedmen all supply,
Where never harm has taken place
And never favorites die.
And as besides the fire I dream,
The wish comes oft to me:
The garden of my life could seem,
At last, so fair to see.

News Of Interest To Upper Communities Of County

CANADA PLACES BAN ON US EGGS AND CHICKENS

Newcastle disease—the dread malady that has been spreading through Pennsylvania poultry—has caused a ban to be placed in importation of American hatching eggs and live poultry by Canada.

But at the same time Secretary Miles Horst has announced that poultry shows, banned in Pennsylvania during the past year, may be held once again—under certain conditions.

All hatching eggs or live poultry sent from here to Canada must bear a certificate that it is free from Newcastle disease or similar contagious poultry diseases, the Canadian minister of agriculture has announced or they will not be permitted into Canada.

Order Here Modified
In the state, Agriculture Secretary Horst has modified the order of last year forbidding poultry shows—a prohibition which extended right into the farm show this year.

Under the Departments' modification order relating exhibition of live poultry, the chief requirement is that "all entries to a show or exhibition should be accompanied by a declaration or certification from the owner or exhibitor that to the best of his knowledge, the poultry entries and source flock or flocks are free from any evidence of, and were not recently exposed to Newcastle disease or any other infections of transmissible disease." These health certificates are to be signed by the owner or exhibitor and approved by a veterinarian.

Fair managements and prospective exhibitors are advised by the Bureau of Animal Industry, with which all health certificates must be filed, that all crates, containers and vehicles used to transport poultry to a show must be thoroughly cleaned and disinfected. Various other precautions are requested to prevent spread of the disease which is characterized by partial paralysis of birds affected and a serious drop in egg production. During continuance of a show all birds should be examined each day by an accredited veterinarian in cooperation with and under the direction of the Bureau.

When the birds are returned from a show they should be isolated until it has been established that they are not carriers of the disease, officials explained.

Old Warehouse To Become Dwelling

An old warehouse in Biglerville is the solution Ross Schwartz, Littlestown, has found to the housing shortage.

Schwartz, planning to live in Biglerville, and to set up a service station there, has purchased the old Merz warehouse and the lot in front of it and is planning to convert the former storage place for dried apples into a dwelling place with a service station in the front.

Gilbert Lupp, Biglerville contractor, has already started installation of the basement on which the structure will rest and soon the building will start its 60-foot journey, to the foundation.

By May 15 the warehouse should be a two-story dwelling and gas station.

South Mountain Fair For '47 Is Undecided

Whether or not the South Mountain Fair will be resumed this year was still undecided today.

Defunct since the early days of the war when it was halted due to

reau of Animal Industry, with which all health certificates must be filed, that all crates, containers and vehicles used to transport poultry to a show must be thoroughly cleaned and disinfected. Various other precautions are requested to prevent spread of the disease which is characterized by partial paralysis of birds affected and a serious drop in egg production. During continuance of a show all birds should be examined each day by an accredited veterinarian in cooperation with and under the direction of the Bureau.

When the birds are returned from a show they should be isolated until it has been established that they are not carriers of the disease, officials explained.

Don't Trust Bulls—Bulls are dangerous animals to have around most farms because few safety devices are built to protect the farm family from a bull that suddenly decides to become a killer. Joe S. Taylor, extension dairy specialist of the Pennsylvania State college, declares "you can't afford to trust a bull," as another argument in favor of artificial breeding.

Check Farm Wiring—Warning

gasoline and other shortages the fair may be resumed in coming years, but no decision can be made until the members of the fair association meet to answer "yes or no" to the question of whether to resume the annual event.

P. S. Orner, president of the association, said today he plans to call a meeting in the near future but that no date has been set as yet for the session.

that faulty wiring can cause disastrous farm fires, J. R. Haswell, extension agricultural engineer for the Pennsylvania State college, suggests occasional check-ups on farm electrical systems to make certain they conform to standard safety regulations. Buildings burn easily and new ones are expensive.

Destroy Borer Hideouts—Destroy cornstalks and other pithy stemmed refuse in which corn borers may be hibernating to reduce the borer menace during the coming season. Borers emerge as butterflies after May 1.

Budgets Help Control Costs—Draw up a farm-and-home budget and then adhere to it to help control of farm costs, advises Earle L. Moffitt, extension farm management specialist of the Pennsylvania State college. Long range plans also help.

Fill Concrete Blocks—Filling concrete blocks with sifted cinders in new construction will help keep the

structure warmer and drier.

Gardens Worth the Effort—The average home garden produces vegetables worth \$55 or more, on the basis of surveys made by extension vegetable specialists of the Penn-

sylvania State college. In addition, they afford vitamin-rich fresh green goods which contribute to the family's health.

The first rule of egg cookery is to use low to moderate, even heat.

MORE SAMPLES OF SEED TESTED

In its annual seed analysis report, the Bureau of Plant Industry, Pennsylvania Department of Agriculture, said its seed laboratory in 1945 examined 1,764 samples of agricultural seeds, an increase of more than 250 over 1944.

Included in the lots of seeds examined during last year were samples collected by seed agents of the department, those received from seed dealers and farmers of the state, those representing a part of the state certification activities of the bureau, and some from other state agencies.

In examining seed samples, the bureau checks each to see that the contents of the package agree with statements on tags or labels which inform the buyer of the crop producing value of the seed. Tags on all farm seeds must show the purity analysis and percentage of germination, with date when the germination test was made, according to Dr. Thomas L. Guyton, bureau director.

"By selecting seeds of higher quality the farmer is enabled to grow better crops and realize higher financial returns," Dr. Guyton explained. "It is gratifying to be able to report that most of the wholesale and retail seedmen of the state are cooperating in carrying out the provisions of the state seed law. The result is that farmers are receiving a better grade of seed than ever before, and honest dealers have a higher degree of protection."

There are still some farmers who are influenced by price instead of quality, and our analyses show there are a few seedmen who handle poor grades of seed. Our objective is to eliminate all poor grades."

Young Cows Excel—Cows produced from artificial breeding, and now in production are doing better than expected, reports Joe S. Taylor, dairy extension specialist of the Pennsylvania State college. One dairyman reports that his 2-year-old cows from artificial breeding are producing more milk than their mature dams. In 1944 68,000 cows owned by 14,000 Pennsylvania dairymen were bred artificially.

Sods Improve Orchards—Early spring asking of permanent sods in orchards will ease fertilizer requirements by increasing plant food through decomposition of the vegetable matter, says J. U. Reul, Penn State extension fruit specialist.

About The FARM

Money Talks: Pennsylvania's farmers during 1944 received the largest amount of cash in their history, according to the state Department of Agriculture which says the farmers split a kitty of \$596,219,000 without government payments.

But the same officials point out that less than half of the \$909,343,600 total is net profit for the farmer—because the prices the farmer had to pay were so high. One price at least continued to increase during 1944—farm labor costs. Last year's were the highest rates the farmer ever paid the hired man, 13 per cent over the 1943 figures, and 1944 looks like it will exceed 1945 when it comes to labor costs, say the state department experts. The state-wide average received in 1944 by hired hands who worked by the month without board was \$103. This marked the first time the average exceeded the \$100 figure and was \$10.30 more per month than 1943's figures. By the end of January this year the average was up to \$105 per month.

Dollars and Sense: Livestock and poultry numbers in Pennsylvania of January this year were one per cent less than the figures in January, 1944, but the stuff on the farms was worth \$70,090,000 more. Total value of all livestock, chickens and turkeys on farms in the state as of January 1 was \$340,056,000, highest ever known in the state. A year earlier more of everything was worth \$269,897,090. The 1,721,000 head of cattle according to the federal-state inventory increased \$64,043,000 in value during the year—without any increase in numbers. However, just to prove the old gray mare "ain't what she used to be" the 170,000 head of

horses decreased \$2,591,000 from 1944 in dollar value.

Odd's 'n' Ends: If the \$64 question were "does the vitamin A content of butter vary during the year?" could you answer it? According to Penn State experts the answer is "yes" and after two years of testing they found that from January to June the butter had 63 per cent less vitamin content than from July to December. . . . Speaking of Penn State, farmers interested in artificial breeding may like to attend the meeting of the Pennsylvania State Association of Artificial Breeding Cooperatives at the state college April 3 and 4. . . . While some things—like cherry trees in Adams county—continue to increase other things decline. For example, at one time about 20 years ago sheep outnumbered all other species of livestock on Pennsylvania farms. Now the number of sheep on farms in the state has dropped to the lowest ever recorded—as of January, 1 there were only 240,000 sheep in the state.

More of Same: Wonder if any of our local 4-H clubbers will attend the annual 4-H Week at Penn State come August 11 to 14. The State Department of Forests and Waters is going to go all out on urging reforestation. . . . Some damage has been reported on winter grains and grass seedlings due to last month's high winds which exposed some fields while giving others a nice covering of snow—remember? . . . Twelve counties now have county-wide soil conservation districts in Pennsylvania. They include Allegheny, Berks, Carbon, Clarion, Clinton, Fulton, Indiana, Jefferson, Lehigh, Potter, Tioga and Washington. . . . Pennsylvania's farms produced 5,319,000,000 pounds of milk during 1944, 85,000,000 pounds less than for 1945, but still a lot of milk.

Spray Raspberries—Plant raspberries on fertile ground for rapid early growth and spray with lime sulphur when the shoots are up 6 to 10 inches for anthracnose control.

Plan Poultry Pasture—Ladino clover pasture, excellent for poultry, can be started this spring by seeding on winter grain or with oats or spring barley, or with regrass as a nurse crop.

Domestic turkeys have been produced in all parts of the United States.

Wage rates paid to hired workers on farms reached new highs in 1945.

HUGE WAVES HIT NEW ZEALAND

Auckland, New Zealand, March 26.—Two huge tidal waves, estimated by some eye-witnesses at 30 feet high today struck a 60-mile stretch of the east coast of North

Island, New Zealand, wrecking many buildings and damaging roads and bridges.

The first wave struck the Poverty Bay coast approximately an hour after the New Zealand observatory reported "a very severe earthquake some miles out to sea."

Apart from the town of Gisborne, where some streets became salt water, rivers four feet deep, the area affected was populated thinly, mainly by holidayers in summer cottages and some farming families. Residents along the seashore, warned by the roar of the approaching wall of water, raced to higher land and no drownings were reported.

North Island, at the head of Poverty Bay, which is approximately 200 miles southeast of Auckland.

Gisborne, a town of about 16,000 population, is on the east coast of the island.

Set a dish of unshelled nuts where nibblers will praise, crack, and chew.

MORE SAMPLES OF SEED TESTED

In its annual seed analysis report, the Bureau of Plant Industry, Pennsylvania Department of Agriculture, said its seed laboratory in 1946 examined 1,764 samples of agricultural seeds, an increase of more than 250 over 1945.

Included in the lots of seeds examined during last year were samples collected by seed agents of the department, those received from seed dealers and farmers of the state, those representing a part of the state certification activities of the bureau, and some from other state agencies.

In examining seed samples, the bureau checks each to see that the contents of the package agree with statements on tags or labels which inform the buyer of the crop producing value of the seed. Tags on all farm seeds must show the purity analysis and percentage of germination, with date when the germination test was made, according to Dr. Thomas L. Guyton, bureau director.

"By selecting seeds of higher quality the farmer is enabled to grow better crops and realize higher financial returns," Dr. Guyton explained. "It is gratifying to be able to report that most of the wholesale and retail seedmen of the state are cooperating in carrying out the provisions of the state seed law. The result is that farmers are receiving a better grade of seed than ever before, and honest dealers have a higher degree of protection."

"There are still some farmers who are influenced by price instead of quality, and our analyses show there are a few seedmen who handle poor grade of seed. Our objective is to eliminate all poor grades."

Young Cows Excel—Cows produced from artificial breeding, and now in production, are doing better than expected, reports Joe S. Taylor, dairy extension specialist of the Pennsylvania State college. One dairyman reports that his 2-year-old cows from artificial breeding are producing more milk than their mature dams. In 1946, 88,000 cows owned by 14,000 Pennsylvania dairymen were bred artificially.

Sods Improve Orchards—Early spring disking of permanent sods in orchards will ease fertilizer requirements by liberating plant food through decomposition of the vegetable matter, says J. U. Reuf, Penn State extension fruit specialist.

About The FARM

Money Talks: Pennsylvania's farmers during 1946 received the largest amount of cash in their history, according to the state Department of Agriculture which says the farmers split a kitty of \$596,219,000 without government payments . . . that's approximately \$52,000,000 more than in 1945. . . And with government payments the figure goes up another \$313,124,000 which is a lot of dough. . . But the same official's point out that less than half of the \$909,343,000 total is net profit for the farmer—because the prices the farmer had to pay were so high. . . One price at least continued to increase during 1947—farm labor costs. Last year's were the highest rates the farmer ever paid the hired man, 13 per cent over the 1945 figures, and 1947 looks like it will exceed 1946 when it comes to labor costs, say the state department experts. The state-wide average received in 1946 by hired hands who worked by the month without board was \$103. This marked the first time the average exceeded the \$100 figure and was \$10.80 more per month than 1945's figures. By the end of January this year the average was up to \$106 per month.

Dollars and Sense: Livestock and poultry numbers in Pennsylvania of January this year were one per cent less than the figures in January, 1946, but the stuff on the farms was worth \$70,000,000 more. Total value of all livestock, chickens and turkeys on farms in the state as of January 1 was \$340,096,000 highest ever known in the state. A year earlier more of everything was worth \$269,697,000. The 1,721,000 head of cattle, according to the federal-state inventory increased \$64,043,000 in value during the year—without any increase in numbers. However, just to prove the old gray mare "ain't what she used to be" the 170,000 head of

horses decreased \$2,591,000 from 1946 in dollar value.

Odds 'n' Ends: If the \$64 question were "does the vitamin A content of butter vary during the year?" could you answer it? According to Penn State experts the answer is "yes" and after two years of testing they found that from January to June the butter had 63 per cent less vitamin content than from July to December. . . Speaking of Penn State, farmers interested in artificial breeding may like to attend the meeting of the Pennsylvania State Association of Artificial Breeding Cooperatives at the state college April 3 and 4. . . While some things—like cherry trees in Adams county—continue to increase other things decline. For example, At one time about 30 years ago sheep outnumbered all other species of livestock on Pennsylvania farms. Now the number of sheep on farms in the state has dropped to the lowest ever recorded—as of January 1 there were only 240,000 sheep in the state.

More of Same: Wonder if any of our local 4-H clubbers will attend the annual 4-H Week at Penn State come August 11 to 14. . . The State Department of Forests and Waters is going to go all out on urging reforestation. . . Some damage has been reported on winter grains and grass seedlings due to last month's high winds which exposed some fields while giving others a nice covering of snow—remember? . . . Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times

TWENTY-FIVE YEARS AGO

Hospital Donor Left Joint Will:

The joint will of John M. Warner, deceased, and Annie M. Warner, was filed Monday for probate in the office of Horace E. Smiley, Register and Recorder for this county. The will proper was written June 10, 1921, and a lengthy codicil was added just 19 days before the death of Mr. Warner. W. Arch McClean, Esq., is named executor and in the event of his death, before that of both of the parties making the document the Citizens' Trust Company is named in that capacity.

Were Married in York: Fred G. Eicholz, of Arendtsville, and Miss Edna M. Bream, of Biglerville, were married in York last Friday by the Rev. H. H. Weber.

Married in York: Russell E. Weaver, son of Mr. and Mrs. W. C. Weaver, of Aspers, and Miss Ellen A. Ogden, youngest daughter of Mr. and Mrs. David Ogden, of Bendersville, were married Thursday at York at the home of the Rev. Albert Bell, cousin of the bridegroom.

Mr. and Mrs. Weaver will reside on the fruit farm of Mr. Weaver's father, near Bendersville after April 1.

Lillian Ring in Harrisburg: Friends of Miss Lillian Ring, prima donna of Frank Tinner's "Tinkle Me" company, which plays at the Orpheum, Harrisburg, next Tuesday and Wednesday, are looking forward with pleasure to the appearance of the former Gettysburg girl.

Miss Ring is very well known here, where she lived for several years when her father, J. A. Ring, was manager of the Hotel Gettysburg.

Changes Temporarily: Ralph C. Geiselman, East Middle street, has resigned his position temporarily as messenger boy with the Western Union Telegraph company, Chambersburg street, and has accepted a position as clerk in the Quality Shop, Baltimore street.

Rotarians to Conference: The Gettysburg Rotary club is being represented at the annual conference of the fifth district which started Saturday at Washington and is to continue until next Tuesday evening. Those members attending from the local club are M. C. Jones, S. G. Spangler and John D. Keith, Esq. These men are accompanied by their wives.

On Sunday the members of the conference travelled a bronze tablet in Arlington cemetery erected to the memory of the unknown soldier who is buried there.

President Crawford C. McCullough, of the International Association of Rotary clubs, said in an address at the tomb that the unknown soldier: completely and simply demonstrates the ideal of service before self. Rotary's motto.

Got the License and Married Soon: The Rev. W. D. E. Scott, of Bendersville, performed a double wedding service in the personage of the Lutheran church at that place Saturday afternoon at 1:30 o'clock. The contracting couples, were Earl Lauer and Miss Violet L. Carey and Dean Carey and Miss Alverna M. Jacobs. Miss Carey and Dean Carey are the daughter and son of Mr. and Mrs. Charles Carey, of Butler township. Earl Lauer is a son of Mrs. Alverna Lauer, also of Butler township, while Miss Jacobs is a daughter of Mr. and Mrs. William Jacobs, of the same township.

Epidemic Has Reached Apex: An epidemic of gripe which has been prevalent in this place for quite a number of weeks, evidently has reached a climax, and it is said that there are more people suffering with the disease at present than at any previous time during the winter.

Chester A. Leas announces Ellis Swartz, Hanover street, Gettysburg, as winner of the range given away during a buying contest which ended Saturday evening.—Adv.

Surprised on Birthday: A birth-

Today's Talk

By GEORGE MATTHEW ADAMS

THE NEWSBOY

I am sure no one will disagree with me when I make the statement that the Newsboy is one of our greatest institutions. I call him an institution because he is exactly that. Think of the thousands of the great who have risen in the world, and who so proudly refer to their studentship as "I was once a newsboy!"

Early and late the Newsboy's cry may be heard in every city in the land, large enough to have a daily newspaper—and down the streets and far out into the outlying edges of the town, the Newsboy takes his bundle and his hurrying legs—returning to his home with empty bag and a pair of tired hoofs. But think of the anxious readers, awaiting the world's news—left behind him!

I do not recall that any of the American Presidents once were Newsboys, but I know of several Senators, Governors, famous Authors, Scientists, Inventors, and successful Business men, who once were—and many a Newspaper Publisher who once was a graduate.

In fact the roll of former Newsboys who have become famous, is endless. The Newsboy's training is invaluable. He meets all sorts of customers. He becomes a student of human nature. His contacts are with every variety of human being. He becomes a teacher to himself. He learns alertness. Often he has to become a fighter in his own right, as he finds himself in acute competition with other Newsboys. Unconsciously he daily develops and unfolds his character.

Only one artist has immortalized the Newsboy, that I can recall, and that was J. G. Brown—an artist that was just known about today, but his paintings were both realistic and human. He also did the same for the oldtime Bootblack. He gave both just recognition.

Like the Mailman, what a faithful servant—in storm, snow, gale, or sunshine, there he will be found upon the street, or over his delivery route—delivering his stock in trade. Enterprising, observant of details (like seeing that the paper rests in the box, under a brick, or neatly placed, hedged by the door-knob) and always happily glad of the chance to be, in a sense, his own boss. That's the Newsboy! Yes, I was once a Newsboy.

Tomorrow Mr. Adams will talk on the subject: "Faith and Courage"

Just Folks

By EDGAR A. GUEST

The Poet of the People

CATALOGUE GARDENS
Outside the wind is rough and cold.
But all is warm within:
And blooming are the marigold
The postman passes in.
The giant zinnias' massive heads
In color are a-glint.
And all the roses in their beds
Are beautiful in print.

In catalogues no beetles crawl,
The tender buds to chew.
The hollyhocks along the wall
Are perfect, size and hue.
There come no hordes of deadly foes
The gardeners to enrage.
The work of cutworms never shows
Upon the printed page.

Oh beautiful the garden space
Which seedmen all supply.
Where never harm has taken place
And never favorites die.
And as beside the fire I dream,
The wish comes oft to me:
The garden of my life could seem,
At last, so fair to see.

(Copyright, 1947, Edgar A. Guest)

Gay surprise party was tendered Mrs. Sarah A. Geiselman, East Middle street, Friday evening.

Receive License: Dennis O. Newman, of Mr. Joy township, son of Mrs. Julia A. Newman and Miss Naomi A. Welker, daughter of Mr. and Mrs. Edward Welker, Mt. Pleasant township, received a license to marry from J. R. Hartman, Clerk of the Courts.

Open New Banking House: The officers and directors of the Littlestown National bank announce the formal opening of the new banking house on Friday evening.

Crane's fresh strawberry, fresh peach and pistachio ice cream, fifty cents quart. Blue Parrot.—Adv.

Personal Mention: George A. Taylor has sold his property on West Middle street to Dr. J. A. Glutz, of the Seminary.

Walter Crouse, son of Mr. and Mrs. Mervin Crouse, York street, is recovering from a severe attack of pneumonia.

William Jones, of Raleigh, North Carolina, is visiting friends in this place.

Miss Wilma Holtzworth, of Carlisle, spent the week-end with her parents, Mr. and Mrs. J. Harry Holtzworth.

News Of Interest To Upper Communities Of County

CANADA PLACES BAN ON US EGGS AND CHICKENS

Newcastle disease—the dread malady that has been spreading through Pennsylvania poultry—has caused a ban to be placed in importation of American hatching eggs and live poultry by Canada.

But at the same time Secretary Miles Horst has announced that poultry shows, banned in Pennsylvania during the past year, may be held once again—under certain conditions.

All hatching eggs or live poultry sent from here to Canada must bear a certificate that it is free from Newcastle disease or similar contagious poultry diseases, the Canadian minister of agriculture has announced or they will not be permitted into Canada.

Order Here Modified
In the state, Agriculture Secretary Horst has modified the order of last year forbidding poultry shows—a prohibition which extended right in to the farm show this year.

Under the Department's modification order relating exhibition of live poultry, the chief requirement is that "all entries to a show or exhibition should be accompanied by a declaration or certification from the owner or exhibitor that to the best of his knowledge, the poultry entries and source flock or flocks are free from any evidence of, and were not recently exposed to Newcastle disease or any other infections of transmissible disease."

These health certificates are to be signed by the owner or exhibitor and approved by a veterinarian.

Fair managements and prospective exhibitors are advised by the Bu-

Old Warehouse To Become Dwelling

An old warehouse in Biglerville is the solution Ross Schwartz, Littlestown, has found to the housing shortage.

Schwartz, planning to live in Biglerville, and to set up a service station there, has purchased the old Merz warehouse and the lot in front of it and is planning to convert the former storage place for dried apples into a dwelling place with a service station in the front.

Gilbert Lupp, Biglerville contractor, has already started installation of the basement on which the structure will rest and soon the building will start its 60-foot journey, to the foundation.

By May 15 the warehouse should be a two-story dwelling and gas station.

South Mountain Fair For '47 Is Undecided

Whether or not the South Mountain Fair will be resumed this year was still undecided today.

Defunct since the early days of the war when it was halted due to

reau of Animal Industry, with which all health certificates must be filed, that all crates, containers and vehicles used to transport poultry to a show must be thoroughly cleaned and disinfected. Various other precautions are requested to prevent spread of the disease which is characterized by partial paralysis of birds affected and a serious drop in egg production. During continuance of a show all birds should be examined each day by an accredited veterinarian in cooperation with and under the direction of the Bureau.

When the birds are returned from a show they should be isolated until it has been established that they are not carriers of the disease, officials explained.

Don't Trust Bulls—Bulls are dangerous animals to have around most farms because few safety devices are built to protect the farm family from a bull that suddenly decides to become a killer. Joe S. Taylor, extension dairy specialist of the Pennsylvania State college, declares "you can't afford to trust a bull," as another argument in favor of artificial breeding.

Check Farm Wiring—Warning gasoline and other shortages the fair may be resumed in coming years, but no decision can be made until the members of the fair association meet to answer "yes or no" to the question of whether to resume the annual event.

P. S. Orner, president of the association, said today he plans to call a meeting in the near future but that no date has been set as yet for the session.

that faulty wiring can cause disastrous farm fires. J. R. Haswell, extension agricultural engineer for the Pennsylvania State college, suggests occasional check-ups on farm electrical systems to make certain they conform to standard safety regulations. Buildings burn easily and new ones are expensive.

Destroy Borer Hideouts—Destroy cornstalks and other pithy stemmed refuse in which corn borers may be hibernating to reduce the borer menace during the coming season. Borer emerge as butterflies after May 1.

Budgets Help Control Costs—Draw up a farm-and-home budget and then adhere to it to help control of farm costs, advises Earle L. Moffitt, extension farm management specialist of the Pennsylvania State college. Long range plans also help.

Fill Concrete Blocks—Filling concrete blocks with sifted cinders in new construction will help keep the

structure warmer and drier.

Gardens Worth the Effort—The average home garden produces vegetables worth \$55 or more, on the basis of surveys made by extension vegetable specialists of the Penn-

sylvania State college. In addition, they afford vitamin-rich fresh green goods which contribute to the family's health.

The first rule of egg cookery is to use low to moderate, even heat.

U.N. CANNOT GET PAST VETO FROM RUSSIANS

By DE WITT MACKENZIE (AP Foreign Affairs Analyst)

When President Truman made his historic appeal to the country to provide Greece and Turkey with aid to resist communist aggression he explained that "the United Nations and its related organizations are not in a position to extend help of the kind that is required."

The chief executive didn't state specifically why the U. N. couldn't function, and small wonder that he didn't for the answer is an embarrassing paradox. Our new peace league can't act because the world is so terribly divided against itself ideologically that there is no peace. Greece and Turkey represent a bone of contention between the two camps.

Looks like a dog chasing its tail, doesn't it? And that's about what it amounts to. The U. N. can't make any move because it hasn't been provided with specific authority and material means. And so far as one can see that is the way the matter must stand so long as the conflict between communism and democracy continues.

Veto Threat Fatal

The U. N. Security Council is charged with the responsibility of preserving peace and security in such cases as those of Greece and Turkey. Of the eleven members of the council, six are elected by a short term but the Big Five—America, Britain, Russia, France and China—are permanent, and each of them possesses a veto power which can nullify any action by the majority.

What earthly chance would there be of agreement over such a controversial issue as the Greco-Turkish affair, with Russia on one side and

the rest of the Big Five on the other? We've already had the answer demonstrated innumerable times, for the Soviet delegation has been playing hand-ball with the veto. This powerful weapon has been used so persistently by the Russians that much of the effort of the council has been nullified, as witness yesterday's white-wash of Albania after the council had held it indirectly responsible for blowing up two British warships with sea-mines in the Corfu channel.

Does all this mean that the magnificent new home which is to be built for the U. N. in New York will become—as did the marble palace of the League of Nations—a mausoleum of dead hopes? Time alone will answer that.

And there is some word of optimism? Yesterday being the anniversary of the U. N.'s first meeting in America, President Truman messaged Secretary General Trygve Lie that "the United States, in all its acts, seems to add strength to the United Nations and to give effect to the principles and purposes of the United Nations charter." Let all the powers subscribe to, and carry out, that declaration and we can have peace.

BAN ON SECRET MEETINGS WILL GET APPROVAL

Harrisburg, March 26 (AP)—Councils and school boards would be prohibited from adopting ordinances, resolutions or other actions at meetings barred to the public under legislation expected to reach the floor of the legislature next week.

Chairman Howard F. Boorse (R-Montgomery) of the House Muni-

eral, died yesterday of a heart attack at the age of 54. He was in court Monday but excused himself yesterday on the plea that he felt as though he were taking influenza.

cipal Corporations committee said his group will "likely act favorably" next week on the measure backed by the Pennsylvania Newspaper Publishers association.

"I am against holding public meetings in secret," said Boorse, "out the measure as it stands now must be amended to tighten up possible loopholes."

School Boards Often Guilty

William L. McLean, Jr., PNPA president and vice president of the Philadelphia Bulletin, testified in favor of the bill at a committee hearing yesterday, declaring:

"If they (the local bodies) are so ashamed of what they are doing that they are scared to do it in public there is something phoney."

School boards are "frequent offenders" in barring newspaper reporters from important meetings, said Rep. George D. Stuart (R-Allegheny), publisher of the Tarentum Daily News and a PNPA member.

Girl, 4, Thwarts Suicide Attempt

Lynbrook, N. Y., March 25 (AP)—Because four-year-old Dorothy Klopfer knew enough to telephone police when she saw her mother fall to the kitchen floor and detected a "bad smell," police credited the child today with saving the mother's life.

"Mr. policeman, my mother fell on the floor and we need some help please," the child's troubled voice

told Sgt. Harry J. Eagan Monday.

Dorothy couldn't remember her address so Eagan had an operator trace the call. Meanwhile, Dorothy said, "I think I know where the bad smell is coming from," and hung up. When the police arrived at the home they found Mrs. Madeline Klopfer, 26, overcome by gas but the kitchen stove burners were turned off.

"I did that," Dorothy explained. "I turned it off. It smelled bad."

Mrs. Klopfer recovered under treatment at a hospital. Police said she had been in poor health and had written a farewell note.

"Since I've been buyin' Adams County Homogenized Vitamin D Milk Faw makes sure he's first at the table."

Overell Girl To Get Big Estate Santa Ana, Calif., March 26 (AP)—Beulah Louise Overell, 17-year-old university freshman, has been named sole heir to the estimated \$600,000 fortune of her socially prominent parents, for whose deaths she and her fiancé are held on murder charges.

Two wills, signed December 31, 1937, by financier Walter E. Overell, 62, and his wife, Beulah, 57, were filed for probate in Los Angeles, on Monday, disclosing that their only child had been named beneficiary.

The bodies of the mother and father were recovered from Newport harbor March 15 after their small yacht was shattered by a dynamite blast. Sheriff James Musick of Orange county has advanced the theory that Mr. and Mrs. Overell were bludgeoned to death with a hammer before the dynamite, connected to a clock exploded.

SUGGESTIONS ON

(Continued from Page 1) meeting on April 21 at the WVOA, when election of officers and other business would be transacted.

Request Suggestions "In the meantime we would appreciate it if you would express to our Board members as you see them, your opinion of our series just concluded and give them any suggestions or criticisms you may have. Those who buy memberships and come to hear our concerts probably have no idea of the great amount of planning and detail work that is required to put on a successful concert series, although we believe they fully appreciate the educational and esthetic value to the community of such work.

"Our Board consists of the following: Vice presidents, Mrs. Frank H. Kramer, Parker Wagnild, Mrs. C. Harold Johnson and Mrs. Robert Derck; secretary, Mrs. C. Allen Sloan; treasurer, Dr. Frederick Tilber; board members, Mrs. Bettie K. Rosenstengel, Fred Shaffer, Miss Anna Cairns, Mrs. Frederick K. Schwartz, Mrs. S. F. Snyder, Mrs. George F. Eberhart, Mrs. Henry M. Scharf, Mrs. Mark K. Eckert, all of Gettysburg; Mrs. D. F. Slegal, McKnightstown; Rev. A. W. Geigley, Fairfield; Charles Yost and Kenneth Alwine, Biglerville; Miss Katherine Knouse, Ardentville; Mrs. Arlene Spangler Wingert, Littlestown; Miss Louise Siebold, Emmitsburg; Paul Harner, New Oxford, and Mrs. Harold Smith, York Springs.

"UNBLOCK" your DIGESTIVE TRACT

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda and other alkalis if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all, but in the intestinal tract where 90% of your food is digested. And when the lower part gets blocked food may fail to digest properly.

What you want for real relief is something to "unblock" your lower intestinal tract. Nothing to clean it out effectively—help Nature get back on her feet.

Get Carter's Pile right now. Take as directed. They gently and effectively "unblock" your digestive tract. This permits all 3 of Nature's own digestive juices to mix better with your food. You get genuine relief from indigestion as you can feel really good again. Buy Carter's Pile today. "Unblock" your intestinal tract for real relief from indigestion.

U.N. CANNOT GET PAST VETO FROM RUSSIANS

By DE WITT JACKENZIE
(AP Foreign Affairs Analyst)

When President Truman made his historic appeal to the country to provide Greece and Turkey with aid to resist communist aggression he explained that "the United Nations and its related organizations are not in a position to extend help of the kind that is required."

The chief executive didn't state specifically why the U. N. couldn't function, and small wonder that he didn't for the answer is an embarrassing paradox. Our new peace league can't act because the world is so terribly divided against itself ideologically that there is no peace. Greece and Turkey represent a bone of contention between the two camps.

Looks like a dog chasing its tail doesn't it? And that's about what it amounts to. The U. N. can't make any move because it hasn't been provided with specific authority and material means. And so far as one can see that is the way the matter must stand so long as the conflict between communism and democracy continues.

Veto Threat Fatal

The U. N. Security Council is charged with the responsibility of preserving peace and security in such cases as those of Greece and Turkey. Of the eleven members of the council, six are elected by a short term but the Big Five—America, Britain, Russia, France and China—are permanent, and each of them possesses a veto power which can nullify any action by the majority.

What earthly chance would there be of agreement over such a controversial issue as the Greco-Turkish affair, with Russia on one side and

the rest of the Big Five on the other? We've already had the answer demonstrated innumerable times. For the Soviet delegation has been playing hand-ball with the veto. This powerful weapon has been used so persistently by the Russians that much of the effort of the council has been nullified, as witness yesterday's white-wash of Albania after the council had held it indirectly responsible for blowing up two British warships with sea-mines in the Corfu channel.

Does all this mean that the magnificent new home which is to be built for the U. N. in New York will become—as did the marble palace of the League of Nations—a mausoleum of dead hopes? Time alone will answer that.

And there is some word of optimism? Yesterday being the anniversary of the U. N.'s first meeting in America, President Truman messaged Secretary General Trygve Lie that "the United States, in all its acts, seems to add strength to the United Nations and to give effect to the principles and purposes of the United Nations charter." Let all the powers subscribe to, and carry out, that declaration and we can have peace.

JUDGE RICHARDSON DIES

Pittsburgh, March 26 (P) — Judge Joseph A. Richardson of Allegheny county Common Pleas court, one-time assistant U.S. attorney and Pennsylvania assistant attorney general, died yesterday of a heart attack at the age of 54. He was in court Monday but excused himself yesterday on the plea that he felt as though he were taking influenza.

BAN ON SECRET MEETINGS WILL GET APPROVAL

Harrisburg, March 26 (P)—Councils and school boards would be prohibited from adopting ordinances, resolutions or other actions at meetings barred to the public under legislation expected to reach the floor of the legislature next week.

Chairman Howard S. Boorse (R-Montgomery) of the House Municipal

Corporations committee said his group will "like" act favorably next week on the measure backed by the Pennsylvania Newspaper Publishers association.

"I am against holding public meetings in secret," said Boorse, "but the measure as it stands now must be amended to tighten up possible loopholes."

School Boards Often Guilty
William L. McLean, Jr., PNPA president and vice president of the Philadelphia Bulletin, testified in favor of the bill at a committee hearing yesterday, declaring:

"If they (the local bodies) are so ashamed of what they are doing that they are scared to do it in public there is something phony."

School boards are "frequent offenders" in barring newspaper reporters from important meetings, said Rep. George D. Stuart (R-Allegheny), publisher of the Tarentum Daily News and a PNPA member.

Girl, 4, Thwarts Suicide Attempt

Lynbrook, N. Y., March 25 (P)—Because four-year-old Dorothy Kloppe knew enough to telephone police when she saw her mother fall to the kitchen floor and detected a "bad smell," police credited the child today with saving the mother's life.

"Mr. policeman, my mother fell on the floor and we need some help please," the child's troubled voice told Sgt. Harry J. Eagan Monday.

Dorothy couldn't remember her address so Eagan had an operator trace the call. Meanwhile, Dorothy said, "I think I know where the bad smell is coming from," and hung up.

When the police arrived at the home they found Mrs. Madeline Kloppe, 26, overcome by gas but the kitchen stove burners were turned off.

"I did that," Dorothy explained. "I turned it off. It smelled bad."

Mrs. Kloppe recovered under treatment at a hospital. Police said written a farewell note.

"Since I've been buyin' Adams County Homogenized Vitamin D Milk Fav makes sure he's first at the table."

CONVICTED MEN FREED ON BAIL

Harrisburg, March 26 (AP)—Four men convicted on charges of conspiracy against the United States are free under \$10,000 bail, each.

Their release from the Dauphin county prison was accomplished late last night on an order issued by the U. S. Circuit court at Philadelphia. The order stipulated they be freed pending action on an appeal. Those freed were Miller A. and Donald M. Johnson and John Memolo and Jacob Greenes. They left immediately for their homes.

The men were removed to the prison Monday after they were sentenced to maximum terms of two years in a federal penitentiary and ordered to pay fines of \$10,000 each.

At the same time, the Federal District court jury found two other defendants innocent of identical charges. They were former Federal Judge Albert W. Johnson and one of his three sons, Capt. Albert W. Johnson, Jr.

Federal Judge James Alger Fee, of Oregon, who was specially selected to preside at the trial, had refused to free the convicted quartet on bail.

Attorney Charles J. Margiotti, defense counsel, carried the appeal to Circuit court. He declared his clients were entitled to a new trial because Judge Fee had erred in saying before the Johnson jury that "a number of overt acts have been proved."

The Circuit court has set June 2 for arguments on appeals from the convictions and sentences.

"SMOKY CITY" TO GO
Harrisburg, Pa., March 26 (AP)—Pittsburgh is "going to erase forever" its smoky city nickname, Mayor David L. Lawrence of Pittsburgh declared in a radio address here last night. Lawrence said effective smoke control for the city is a "certainty" now that railroad and coal interests have agreed to "go along" with the program.

Los Angeles, March 26 (AP)—After peering judicially at actress Ruth Brady's knees, a Superior court jury decided they looked all right. So the jury rejected her claim for \$21,100 against movie set designer Lemuel Ayers. She charged the door of his car flew open, depositing her in the street and marring her shapely joints.

As the thermometer climbs upward you will want several of these wonderful casual dresses to wear for coming active hours. This dress has unusually smart lines, wins top honors made in a bright linen, blue chambray, or white cotton.

No. 2630 is cut in sizes 12, 14, 16, 18, 20, 36, 38, 40, 42, and 44. Size 36 requires 3 1/2 yds. 35-in.

Send 20 cents for PATTERN, which includes complete sewing guide. Print your Name, Address and Style Number plainly. Be sure to state size you wish. Include postal unit or zone number in your address.

Will to take the wheel
part new Oldsmobile...

You've probably heard this song on your radio—this modern, up-to-the-minute version of that grand old tune, "In My Merry Oldsmobile." And chances are you've heard Oldsmobile owners, too, singing the praises of the 1947 Oldsmobile. What a smart looking car it is! And it's a smart performer, too. No wonder so many people say . . . "It's S.M.A.R.T. to Own an Olds!"

Gear shifting is fully automatic with CM Hydra-Matic Drive*. And there's not even a clutch pedal in the car!

will be for you
while is here!"

*Hydra-Matic Drive is optional at extra cost.

**CONVICTED MEN
FREED ON BAIL**

Harrisburg, March 26 (AP) — Four men convicted on charges of conspiracy against the United States are free under \$10,000 bail each.

Their release from the Dauphin county prison was accomplished late last night on an order issued by the U. S. Circuit court at Philadelphia. The order stipulated they be freed pending action on an appeal. Those freed were Miller A. and Donald M. Johnson and John Memolo and Jacob Greenes. They left immediately for their homes.

The men were removed to the prison Monday after they were sentenced to maximum terms of two years in a federal penitentiary and ordered to pay fines of \$10,000 each.

At the same time, the Federal District court jury found two other defendants innocent of identical charges. They were former Federal Judge Albert W. Johnson and one of his three sons, Capt. Albert W. Johnson, Jr.

Federal Judge James Alger Fee, of Oregon, who was specially selected to preside at the trial, had refused to free the convicted quartet on bail.

Attorney Charles J. Margiotti, defense counsel, carried the appeal to Circuit court. He declared his clients were entitled to a new trial because Judge Fee had erred in saying before the Johnson jury that "a number of overt acts have been proved."

The Circuit court has set June 2 for arguments on appeals from the convictions and sentences.

"SMOKY CITY" TO GO

Harrisburg, Pa., March 25 (AP) — Pittsburgh is "going to erase forever" its smoky city nickname, Mayor David L. Lawrence of Pittsburgh declared in a radio address here last night. Lawrence said effective smoke control for the city is a "certainty" now that railroad and coal interests have agreed to "go along" with the program.

Los Angeles, March 26 (AP) — After peering judicially at actress Ruth Brady's forces, a superior court jury decided they looked all right. So the jury rejected her claim for \$21,190 against movie set designer Lemuel Ayers. She charged the door of his car flew open, depositing her in the street and marring her shapely joints.

ALL AROUND
With these
tractor tires**

ON REAR WHEELS

Use B.F. Goodrich Hi-Clear tractor tires... the only tires that have cleats in pairs—one long, one short. Double bars for double bite and extra grip. Open center, self-cleaning tread design. No mud-catching pockets to cause slippage. Extra high shoulders prevent sideslip. Tough, long-wearing rubber. Positive traction.

ON FRONT WHEELS

B.F. Goodrich front wheel tractor tires wear long, roll smoothly. Self-cleaning tread helps keep work moving speedily. Husky, high shoulders and tough rubber.

ON IMPLEMENTS

Long-wearing B.F. Goodrich Tires help you move faster from job to job, work in soil where steel wheels would bog down. And a B.F. Goodrich planned changeover from steel wheels to rubber tires means extra savings—often one set of tires and rims may be used on more than one implement.

Stop in and see us about all your farm tire needs.
